DATE OF PUBLICATION IN INTERNAL QUESTION PAPER: 18 OCTOBER 2010
(INTERNAL QUESTION PAPER NO. 31)

2869. Mrs H N Ndude (Cope) to ask the Minister of Water and Environmental Affairs:

- (1) Whether she has been informed that the capital costs for waste water treatment facilities is higher than the capital costs for a modern water purification plant; if not, what is the position in this regard; if so, what are the relevant details;
- (2) whether there are any plans to replace the current water treatment system; if not, why not; if so, (a) how will this be done and (b) what is the estimated cost? NW3552E

REPLY:

- (1) This question falls outside the mandate of my Department. I recommend that it should be referred to the Department of Corporate Governance which deals with Local Government and would be in a better position to respond to issues related to capital costs of waste water treatment facilities.
- (2) Falls away.
