**MINISTER OF WATER AND SANITATION**

The City of Tshwane has reported that a media alert was issued on 03 November 2023 regarding the unplanned water supply interruptions that effected Mamelodi amongst other areas nearby, due to a major leak on the bulk pipeline which supplies Mamelodi R3 and R4 Reservoirs.

The City of Tshwane's Water and Sanitation Department Team of plumbers attended to the leak on the bulk pipeline which supplies Mamelodi R3 and R4 Reservoirs. During repairs, water tankers were arranged to service customers in the affected areas.
