NATIONAL ASSEMBLY

FOR WRITTEN REPLY

QUESTION NO 999

DATE OF PUBLICATION IN INTERNAL QUESTION PAPER: 17 MARCH 2023
(INTERNAL QUESTION PAPER NO. 10)

999. Mr H A Shembeni (EFF) to ask the Minister of Water and Sanitation:

Which measures has he taken to erect boreholes for residents of Nkomazi, Mpumalanga, as they currently have no access to water and instead have to buy water from other residents who have drilled their own bore holes? NW1129E

---0000---

MINISTER OF WATER AND SANITATION

The department erected boreholes during the 2018/19 financial year funded by Water Services Infrastructure Grant (WSIG) under the following projects:

- Steenbok
- Mangweni
- Boschfontein; and
- Gomora

The extension of Gomora water reticulation, Madadeni water reticulation, and the extension of water reticulation at Magogeni are also projects funded under WSIG which benefit the same area.

The department currently has the Sibange regional water supply and the Driekoppies regional water supply projects funded through Regional Bulk Infrastructure Grant (RBIG).
