**19 July 2017**

As part of Mandela Day celebrations, The Department of Water and Sanitation together with Coca-Cola Beverages South Africa visited Tshepo Drop-in Centre which takes care of mostly orphaned children from within the community of Moletji on Mandela Day, the 18<sup>th</sup> July 2017.

With this year's Mandela Month theme being "Action Against Poverty", the Department of Water and Sanitation together with Coca-Cola Beverages South Africa made donations of blankets, bath soaps and soft drinks to the Drop-in Centre.

The centre's manager, Ms Morifi thanked the department and Coca-Cola for supporting the centre, which provides meals to orphanages during the day, and also helps them with their school work.

"I would like to take this opportunity to thank the Department of Water and Sanitation together with Coca-Cola for choosing us as there are many centres that you would have chosen to give these gifts to across the province, but you chose our centre. I would also like to encourage you to support centres like ours across the province as they all contribute positively like we do", said Ms Morifi.

As Nelson Mandela once said, "There can be no keener revelation of a society's soul than the way in which it treats its children".
