MEDIA ADVISORY

DWS in partnership with Denmark's Ministry of Environment and Food to address issues Industrial Water efficiency

30 March 2017

The Department of Water and Sanitation (DWS) will deliver a presentation on its enabling policy for industrial water efficiency during a workshop to be hosted by the Royal Danish Embassy. The workshop facilitated by National Cleaner Production Centre South Africa (NCPC-SA) will announce plans on its Industrial Water Efficiency Project.

Expected benefits from Industrial Water Efficiency project include those of reduced water costs and water disposal costs and the creation of inward investment opportunities due to incurred savings.

Various keynote speakers from organizations such as the Water Research Commission and Nestle will address delegates on issues of industrial efficiency initiatives.

Media is invited as follows:

Date : Thursday, 30 March 2017

Time : 08h30

Venue : Grundfos, 16 Lascelles Road, Germiston, Johannesburg
