#### **Minister Mokonyane to assess Lusushwane Bulk Water Supply Project**

05 April 2017

The Minister of Water and Sanitation, Ms Nomvula Mokonyane will attend a sod turning ceremony of Lusushwane Bulk Water Supply Project Phase Two on Friday, 07 April 2017 in Bettysgoed village.

Minister Mokonyane will also use this opportunity to assess the recently completed Phase One of the project and all engage the community on water and sanitation related issues.

The Lusushwane Bulk Water Supply project is aimed at providing water to the residents of Chief Albert Luthuli Municipality. On completion of Phase 3, the project will provide an uninterrupted water supply to the Chief Albert Luthuli Local Municipality residents who reside nearby the country's border with Swaziland. The communities that will benefit from the project include amongst others Bettysgoed, Smithfields, Oshoek, Lochiel, Robinsdale, Aankomst, Pampoen, Houtbosch and Hartbeeskop.

This is an initiative of the Department of Water and Sanitation in partnership District Municipality as the Implementation Agent.
