### MEDIA ADVISORY

#### **DWS and Orange Farm Water Forum to interact with car washers to save water**

12 March 2019

The Gauteng Provincial Office of the Department of Water and Sanitation in partnership with the Orange Farm Water and Sanitation Community Forum will hold a water conservation campaign aimed at small businesses which are running car washes in the township.

Car washers are some of the small businesses in the country that use a lot of water and it is therefore imperative to interact with businesses owners for purposes of encouraging water saving. The interaction is in celebration of the 2019 National Water Month, which is taking place under the theme: "Leaving no one behind, water for all".

#### **The media is invited as follows:**

Date : Friday, 15 March 2019

Venue : Orange Farm Extension 8 Car Wash (Emncedisi)

Time : 09:00
