Deputy President and Minister will visit Sebokeng Water Works

11 September 2019

The Minister of Human Settlements, Water and Sanitation, Ms. Lindiwe Sisulu, will accompany the Deputy President HE DD Mabuza during the Deputy President's Project Monitoring Visit to the Sebokeng Regional Sewer Scheme (SRSS) in Sebokeng.

Deputy President Mabuza and Minister Sisulu will be in the company of high ranking politicians of the Gauteng Provincial Legislature as well as from the respective Sedibeng District Municipality and in particular Emfuleni Local Municipality.

It is envisaged that the Deputy President and entourage will be briefed on the progress regarding the upgrades to the SRSS, the government's intervention in the Vaal River clean-up, as well as other matters related to developments in the area dependent on a well-functioning sewer and reticulation scheme for the Vaal area.

The visit will include a site inspection at the SRSS.

The ultimate aim of this visit is to discuss at length critical issues that relate to this important intervention at the Vaal and hopefully unlock any issues that might delay the completion of the task at hand.

The media is invited to attend as follows:

Date : 12 September 2019

Venue : Sebokeng Regional Sewer Scheme

Time : 09h30
