## MEDIA ADVISORY

### Deputy Minister Mahlobo to embark on a follow up visit to Nandoni

11 November 2020

The Deputy Minister of Water and Sanitation, Mr David Mahlobo, will visit Thohoyandou to assess progress made to date in the implementation of Public Protector's remedial actions regarding the construction of Nandoni Dam.

During his visit on Friday, 13 November 2020, Deputy Minister Mahlobo, accompanied by the Department's Provincial Head in Limpopo, will meet key stakeholders such as Chiefs, Vho Thovhele Khosi Ramovha, Vho Thovhele Gole Mpampuli and Nandoni Community Representatives. The visit will round off with a site visit to Nandoni Dam led by Construction North.

The visit by Deputy Minister Mahlobo is one of many that he has undertaken since the beginning of the year in an effort to speed up the compensation process to compensate community members that were affected by the construction of Nandoni Dam. During his last visit last month, he made a commitment to return mid-November to check the progress of the remedial actions that are being implemented by the Department.

Deputy Minister Mahlobo and stakeholders will brief the media on the outcomes of the stakeholder engagements.
