Department of Water and Sanitation and Beaufort Municipality to embark on water conservation campaign in Beaufort West

10 June 2024

On Wednesday, 12 June 2024 and Thursday, 13 June 2024, the Department of Water and Sanitation and the Beaufort West Municipality will take over the streets of this town to do a water conservation campaign.

On the first day these government entities will be in Hillside and Graceland and on the second day (Wednesday) they will be on the streets of Rustdene.

Annually the Department monitors all municipalities in terms of their water management and where municipalities are not improving in curbing water losses, the Department intervenes.

Interventions are varies and a water conservation campaign is one of them. The aim of the campaign is to educate and increase awareness about the importance of saving water in the communities.

Every year the government loses millions of rands in water losses and that money could go a long way in delivering services to the communities.

The campaign consists of door-to-door event where the Department and the municipality visit households and educate them about how they can save water and how they can find and fix their leakages.

Media is invited to attend as follows:

Date : 12 June 2024

Venue : TBC in Hillside

Time : 09h00 – 14h00

Date : 13 June 2024

Venue : TBC in Rustdene
