MEDIA ADVISORY

DWS to host technical construction career awareness programme in Limpopo

For Immediate Release

30 September 2024

The Department of Water and Sanitation in partnership with Letaba Technical and Vocational Education and Training (TVET) College in Limpopo Province will host a technical construction career awareness programme in Maahe, Greater Tzaneen Municipality on 03 October 2024.

Targeting mostly female students from the four campuses of the college, the programme seeks to create awareness of career opportunities within the Department that require technical skills as well as development programmes available which include bursaries and internships.

This comes as the Department has entered a 24-month Memorandum of Understanding (MoU) with the TVET College, to host its students for Work-Integrated Learning at various departmental construction projects in the province - including the Raising of the Tzaneen Dam currently underway in the college's vicinity. The programme is aimed at enhancing the students' skills and getting them ready for professional work settings.

Members of the media are invited as follows:

Date : Thursday, 03 October 2024
Venue : Letaba TVET College, Maahe Campus
Time: 09h00

For confirmations, please contact Ms Mashilo Raletjena on 082 928 4148 / raletjenam2@dws.gov.za or Mr Godfrey Mabasa on 072 261 6917 / mabasatg@letcol.co.za
