

Dam Safety Office
**LIST OF CONSULTING ENGINEERS THAT CAN BE CONSIDERED FOR
 TASKS THAT ARE REQUIRED IN TERMS OF THE DAM SAFETY LEGISLATION
 WITH REGARD TO CATEGORY II EN III DAMS**

-Professional engineers/persons whose names do not appear on the list might also possess the necessary expertise to perform specific tasks at dams.

-Inclusion in this list does not necessarily mean that an engineer will be approved for a dam task. The requirements of the task will be weighed against the qualifications and experience of the applicant.
