

Dam Safety Office
LIST OF CONSULTING ENGINEERS THAT CAN BE CONSIDERED FOR
TASKS THAT ARE REQUIRED IN TERMS OF THE DAM SAFETY LEGISLATION
WITH REGARD TO CATEGORY II EN III DAMS

-Professional engineers/persons whose names do not appear on the list might also possess the necessary expertise to perform specific tasks at dams.

-Inclusion in this list does not necessarily mean that an engineer will be approved for a dam task. The requirements of the task will be weighed against the qualifications and experience of the applicant.
