

APPLICATION FORM FOR A LICENCE TO DECOMMISSION A DAM IN TERMS OF THE NATIONAL WATER ACT, 1998 (ACT 36 OF 1998), READ WITH REGULATION 39 TO 44 OF THE REGULATIONS PUBLISHED IN GOVERNMENT NOTICE R. 139 OF 24 FEBRUARY 2012

GENERAL PARTICULARS AND INSTRUCTIONS

Any person in control of a dam who intends decommissioning a dam with a safety risk shall apply for a decommission licence by furnishing the information required in this form: The following procedure should be followed:

For a Category I dam:

- fully complete paragraphs 1 to 4 and 6 of this form.

For a Category II and III dam and Category I dam with reference to additional information required by the Director-General:

- fully complete this form;
- provide copies of engineering plans wherein the proposed alterations with regard to hydraulic components of the dam to release water and proposed structural changes are indicated; and
- provide a written report by the approved professional person in which the standards and principles for the proposed alterations are set out.

Submit above-mentioned information to the Director-General: Water and Sanitation, Private Bag X313, Pretoria, 0001.
