OBTAINING AUTHORISATIONS

AUTHORISATION PROCESS

OBTAINING AUTHORISATIONS

- Feedback loops
- Project facilitator to Project Officer
- Project Officer via project steering committee to project facilitator
- Project facilitator via Technical Task Team to broad stakeholders

THE ROLE OF A RMP

THE TECHNICAL TASK TEAM AND STEAKHOLDERS

Is this like a beer holder or coffee holder in a car?

Is the steak raw?

What about juices, blood, etc?

What if stakeholder gets maggots?
