

## Phase 2 - Preparation of Planning Process

**water & forestry**

Department:  
Water Affairs & Forestry  
REPUBLIC OF SOUTH AFRICA

water

# THE PLACE

## PURPOSE OF THE PHASE

The purpose of this stage is to ascertain whether encumbrances exist and the most appropriate approach to the project planning procedure, as well as evaluate the specific techniques to be utilised to obtain baseline information

# THE PLACE

## ENCUMBRANCE SURVEY

### *Legal:*

- Servitude
- Claims
- Title deed endorsement
- Agreements
- Delegations
- Assignments

# THE PLACE

## ENCUMBRANCE SURVEY

### *Physical:*

- Soils
- Climate
- Geomorphology
- Geological
- Vegetation
- Hydrology

# THE PLACE

## ENCUMBRANCE SURVEY

### *Social:*

- Language
- Mobility
- Politics
- Expectations
- Social audit

# THE PLACE

## FIELD VISIT

- Get to know the place
- Walk and talk
- Why was dam built?
- Why is water resource important?
- What studies have been done?
- Current attractions
- Sensitivity of sites
- Infrastructure and description of facilities

# THE PLACE

## FIELD VISIT

- Ownership of facilities
- Communal utilisation
- Quantity of benefits from water resource
- Jobs currently linked to water resource

# THE PLACE

## PAPER TRAIL

- Communication
- Invitations
- Comments register

# PREPARATION

## SETTING UP MEETINGS (GOVERNMENT ROLEPLAYERS)

- Start with DWAF
- Landowner (DLA, DPW, Custodian)
- Go local
- Provincial
- Land Claims Commission

# THE PLACE

## OBTAINING RESOLUTIONS AND SUPPORT

- Getting people to a meeting isn't enough
- Official support
- Background info
- Show benefits of process and utilisation

# THE PLACE

## ESTABLISHING INTERGOVERNMENTAL FORUM

- Act 13 2005
- Process
- Enabling framework

Supports government image of standing together, service delivery, etc.

# THE PLACE

## ID STAKEHOLDERS

- Inter Governmental Forum Members
- Utilisation
  - Day
  - Overnight
  - Commercial
- Chain referrals

# THE PLACE

## ID STAKEHOLDERS

- Beneficiaries
- Claimants
- Local community
- Researchers
- SANCO
- NGO
- FBO
- Etc.

# THE PLACE

## PREPARATION OF BACKGROUND INFORMATION DOCUMENT

- Contents
  - Maps
  - Info
  - Encumbrances
  - Lists
  - Previous research and plans
  - Etc.

# THE PLACE

## PREPARATION OF BACKGROUND INFORMATION DOCUMENT

- Field visit
  - Internal
  - External

# THE PLACE

## THE FORMAT OF THE BACKGROUND INFORMATION DOCUMENT

- Cover
- Contents
- Introduction (Trigger, Initiator, Team)
- Background
- Water Resource
- Biophysical (Geomorphology, geology, vegetation, etc)
- Social
- Cultural
- Legal
- Cadastral
- Existing plans
- References
- Annotated bibliography
