## ENVIRONMENTAL AUTHORISATIONS FOR THE MZIMVUBU WATER PROJECT

Dear Stakeholder,

The Department of Environmental Affairs has accepted the final Environmental Impact Assessment Report (EIAR) and has granted Environmental Authorisations (EA) for the Mzimvubu Water Project dated 17 June 2015. Please find copies of the three (3) authorisations attached.

Your attention is drawn to Chapter 7 of the Environmental Impact Assessment Regulations (2010), which prescribes the appeal procedure to be followed. Should any party wish to appeal any aspect of the decision, a notice of intention to appeal must be lodged in writing by the prospective appellant with the Minister, within 20 days of the date of the EAs. Relevant contact details are included in the EAs attached. The appeal must then be submitted to the Minister within 30 days after the lapsing of the 20 days provided for the lodging of the notice of intention to appeal.

The reasons the competent authority made these decisions are included in Annexure 1 of each EA attached.

Kind Regards,
