FLAGSHIP INITIATIVES

BENEFITS OF ALIGNING YOUR PROJECT WITH THE UNESCO FLAGSHIP INITIATIVE FRAMEWORK

• Access to Expertise:

Gain access to global expertise and knowledge through collaboration with international experts working on Flagship Initiatives.

• Networking Opportunities:

Connect with a global network of professionals, organisations, and stakeholders working on similar water-related issues, facilitating knowledge exchange and collaboration.

• Visibility and Recognition:

Increase the visibility and recognition of your project by becoming part of a larger global framework for sustainable water management.

• Funding Possibilities:

Enhance your project's chances of securing funding by aligning it with UNESCO-IHP Flagship Initiatives, which attract support from various funding sources.

How to Register Your Project UNESCO IHP Flagship Initiatives

- 1 Review Flagship Initiatives:** Familiarise with the various Flagship Initiatives and identify the one(s) that align with your project objectives.
- 2 Contact DWS UNESCO-IHP Secretariat** to express your interest in registering your project. Provide a brief overview of your project and its alignment with the chosen Flagship Initiative(s).
- 3 Project Evaluation:** The UNESCO-IHP Secretariat will assist and evaluate your project's alignment with the Flagship Initiative(s) and assess its potential contribution to the goals of the initiative(s).
- 4 Registration and Collaboration:** Should your project meet the requirements; it will be registered as a UNESCO Flagship initiative.
