## INVITATION TO BID

---

### **BID NUMBER AND DESCRIPTION:**

W11399: Supply, delivery and commissioning of autotitrator analytical instrument for water sample analysis

### **Closing date and time:**

07 October 2021 @ 11:00

### **compulsory briefing session**

Date: 16 September 2021  
Department of water and sanitation  
Kwa- Mhlanga Road  
Roodeplaat  
RQIS  
Time: 10h00am

### **Directions:**

#### **From the south**

#### **R513 and R573 to the dam**

Now that you are on Zambezi Drive (the R513 Cullinan Road), drive for about one kilometre until you come to a set of traffic lights.  
Turn left along the R573, the notorious Moloto Road to kwaMhlanga (urban sprawl along this road has brought an increased water demand, an 80km/h speed limit and crime).

You will pass the Kameeldrift Police Station, cross over a railway line and observe the scenic Zeekoegat Sewage works on the left. After 11 to 12 kilometres, the road passes over a slight rise (the rim of an ancient crater) and you will catch a glimpse of Roodeplaat Dam on the right.

The turn-off to Roodeplaat Dam and RQS is on the right as you start descending on the other side of the rise [the sign says DWAF Training ->]. Indicate early, especially if you see a large bus or sand truck in your rear-view mirror! They try to become airborne down this hill.

Drive along the narrow tarred road for about 2km, past a water tower and the Training Centre, and over two speed bumps. You will come to a fence blocking the road: RQS is on the left, behind the sliding security gate. Please park in front of the building and report to reception.
