QUESTIONS		ANSWERS
1	<p>PwC has reviewed the terms of reference and the request to furnish previous experience. We have conducted similar work at other entities under the mandate of broader projects. Our reference letters will thus reference these broader projects.</p> <p>We however will detail these projects highlighting the specific areas of work you require, that we conducted. Will this be sufficient as evidence of our track record?</p>	<p>Details of projects highlighting specific areas of work (i.e. Previous experience) will suffice.</p>
