## BIDDER'S DISCLOSURE

### 1. PURPOSE OF THE FORM

Any person (natural or juristic) may make an offer or offers in terms of his invitation to bid. In line with the principles of transparency, accountability, impartiality, and ethics as enshrined in the Constitution of the Republic of South Africa and further expressed in various pieces of legislation, it is required for the bidder to make this declaration in respect of the details required hereunder.

Where a person/s are listed in the Register for Tender Defaulters and / or the List of Restricted Suppliers, that person will automatically be disqualified from the bid process.

### 2. Bidder's declaration

2.1 Is the bidder, or any of its directors / trustees / shareholders / members / partners or any person having a controlling interest<sup>1</sup> in the enterprise, employed by the state? **YES/NO**

2.1.1 If so, furnish particulars of the names, individual identity numbers, and, if applicable, state employee numbers of sole proprietor/ directors / trustees / shareholders / members/ partners or any person having a controlling interest in the enterprise, in table below.

Full Name	Identity Number	Name of State institution

2.2 Do you, or any person connected with the bidder, have a relationship with any person who is employed by the procuring institution? **YES/NO**

2.2.1 If so, furnish particulars:

.....  
 .....  
 .....

<sup>1</sup> the power, by one person or a group of persons holding the majority of the equity of an enterprise, alternatively, the person/s having the deciding vote or power to influence or to direct the course and decisions of the enterprise.

2.3 Does the bidder or any of its directors / trustees / shareholders / members / partners or any person having a controlling interest in the enterprise have any interest in any other related enterprise whether or not they are bidding for this contract? **YES/NO**

2.3.1 If so, furnish particulars:

Name of company related to	CSD Registration number of the company related to

### 3 DECLARATION

I, the undersigned, (name)..... in submitting the accompanying bid, do hereby make the following statements that I certify to be true and complete in every respect:

- 3.1 I have read and I understand the contents of this disclosure;
- 3.2 I understand that the accompanying bid will be disqualified if this disclosure is found not to be true and complete in every respect;
- 3.3 The bidder has arrived at the accompanying bid independently from, and without consultation, communication, agreement or arrangement with any competitor. However, communication between partners in a joint venture or consortium<sup>2</sup> will not be construed as collusive bidding.
- 3.4 In addition, there have been no consultations, communications, agreements or arrangements with any competitor regarding the quality, quantity, specifications, prices, including methods, factors or formulas used to calculate prices, market allocation, the intention or decision to submit or not to submit the bid, bidding with the intention not to win the bid and conditions or delivery particulars of the products or services to which this bid invitation relates.
- 3.4 The terms of the accompanying bid have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of

<sup>2</sup> Joint venture or Consortium means an association of persons for the purpose of combining their expertise, property, capital, efforts, skill and knowledge in an activity for the execution of a contract.

the awarding of the contract.

- 3.5 There have been no consultations, communications, agreements, or arrangements made by the bidder with any official of the procuring institution in relation to this procurement process prior to and during the bidding process except to provide clarification on the bid submitted where so required by the institution; and the bidder was not involved in the drafting of the specifications or terms of reference for this bid.
- 3.6 I am aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to bids and contracts, bids that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No 89 of 1998 and or may be reported to the National Prosecuting Authority (NPA) for criminal investigation and or may be restricted from conducting business with the public sector for a period not exceeding ten (10) years in terms of the Prevention and Combating of Corrupt Activities Act No 12 of 2004 or any other applicable legislation.

I CERTIFY THAT THE INFORMATION FURNISHED IN PARAGRAPHS 1, 2 and 3 ABOVE IS CORRECT.

I ACCEPT THAT THE STATE MAY REJECT THE BID OR ACT AGAINST ME IN TERMS OF PARAGRAPH 6 OF PFMA SCM INSTRUCTION 03 OF 2021/22 ON PREVENTING AND COMBATING ABUSE IN THE SUPPLY CHAIN MANAGEMENT SYSTEM SHOULD THIS DECLARATION PROVE TO BE FALSE.

## PREFERENCE POINTS CLAIM FORM IN TERMS OF THE PREFERENTIAL PROCUREMENT REGULATIONS 2022

This preference form must form part of all tenders invited. It contains general information and serves as a claim form for preference points for specific goals.

**NB: BEFORE COMPLETING THIS FORM, TENDERERS MUST STUDY THE GENERAL CONDITIONS, DEFINITIONS AND DIRECTIVES APPLICABLE IN RESPECT OF THE TENDER AND PREFERENTIAL PROCUREMENT REGULATIONS, 2022**

### 1. GENERAL CONDITIONS

1.1 The following preference point systems are applicable to invitations to tender:

- the 80/20 system for requirements with a Rand value of up to R50 000 000 (all applicable taxes included); and

#### 1.2 To be completed by the organ of state

a) The applicable preference point system for this tender is the 80/20 preference point system.

1.3 Points for this tender (even in the case of a tender for income-generating contracts) shall be awarded for:

- (a) Price; and
- (b) Specific Goals.

#### 1.4 To be completed by the organ of state:

The maximum points for this tender are allocated as follows:

	POINTS
PRICE	80
SPECIFIC GOALS	20
<b>Total points for Price and SPECIFIC GOALS</b>	<b>100</b>

1.5 Failure on the part of a tenderer to submit proof or documentation required in terms of this tender to claim points for specific goals with the tender, will be interpreted to mean that preference points for specific goals are not claimed.

1.6 The organ of state reserves the right to require of a tenderer, either before a tender is adjudicated or at any time subsequently, to substantiate any claim in regard to preferences, in any manner required by the organ of state.

## 2. DEFINITIONS

- (a) **“tender”** means a written offer in the form determined by an organ of state in response to an invitation to provide goods or services through price quotations, competitive tendering process or any other method envisaged in legislation;
- (b) **“price”** means an amount of money tendered for goods or services, and includes all applicable taxes less all unconditional discounts;
- (c) **“rand value”** means the total estimated value of a contract in Rand, calculated at the time of bid invitation, and includes all applicable taxes;
- (d) **“tender for income-generating contracts”** means a written offer in the form determined by an organ of state in response to an invitation for the origination of income-generating contracts through any method envisaged in legislation that will result in a legal agreement between the organ of state and a third party that produces revenue for the organ of state, and includes, but is not limited to, leasing and disposal of assets and concession contracts, excluding direct sales and disposal of assets through public auctions; and
- (e) **“the Act”** means the Preferential Procurement Policy Framework Act, 2000 (Act No. 5 of 2000).

## 3. FORMULAE FOR PROCUREMENT OF GOODS AND SERVICES

### 3.1. POINTS AWARDED FOR PRICE

#### 3.1.1 THE 80/20 OR 90/10 PREFERENCE POINT SYSTEMS

A maximum of 80 or 90 points is allocated for price on the following basis:

80/20	or	90/10	
$P_s = 80 \left( 1 - \frac{P_t - P_{min}}{P_{min}} \right) \text{ or } P_s = 90 \left( 1 - \frac{P_t - P_{min}}{P_{min}} \right)$			

Where

$P_s$  = Points scored for price of tender under consideration

$P_t$  = Price of tender under consideration

$P_{min}$  = Price of lowest acceptable tender

### 3.2. FORMULAE FOR DISPOSAL OR LEASING OF STATE ASSETS AND INCOME GENERATING PROCUREMENT

### 3.2.1. POINTS AWARDED FOR PRICE

A maximum of 80 or 90 points is allocated for price on the following basis:

$$\begin{array}{ccc} \mathbf{80/20} & \mathbf{or} & \mathbf{90/10} \\ P_s = 80 \left( 1 + \frac{P_t - P_{max}}{P_{max}} \right) & \text{or} & P_s = 90 \left( 1 + \frac{P_t - P_{max}}{P_{max}} \right) \end{array}$$

Where

P<sub>s</sub> = Points scored for price of tender under consideration

P<sub>t</sub> = Price of tender under consideration

P<sub>max</sub> = Price of highest acceptable tender

## 4. POINTS AWARDED FOR SPECIFIC GOALS

4.1. In terms of Regulation 4(2); 5(2); 6(2) and 7(2) of the Preferential Procurement Regulations, preference points must be awarded for specific goals stated in the tender. For the purposes of this tender the tenderer will be allocated points based on the goals stated in table 1 below as may be supported by proof/ documentation stated in the conditions of this tender:

4.2. In cases where organs of state intend to use Regulation 3(2) of the Regulations, which states that, if it is unclear whether the 80/20 or 90/10 preference point system applies, an organ of state must, in the tender documents, stipulate in the case of—

- (a) an invitation for tender for income-generating contracts, that either the 80/20 or 90/10 preference point system will apply and that the highest acceptable tender will be used to determine the applicable preference point system: or
- (b) any other invitation for tender, that either the 80/20 or 90/10 preference point system will apply and that the lowest acceptable tender will be used to determine the applicable preference point system,

then the organ of state must indicate the points allocated for specific goals for both the 90/10 and 80/20 preference point system.

**Table 1: Specific goals for the tender and points claimed are indicated per the table below.**

**(Note to organs of state: Where either the 90/10 or 80/20 preference point system is applicable, corresponding points must also be indicated as such.**

**Note to tenderers: The tenderer must indicate how they claim points for each preference point system.)**

The specific goals allocated points in terms of this tender	Number of points allocated (80/20 system) (To be completed by the organ of state)	Number of points claimed (80/20 system) (To be completed by the tenderer)
Women	5	
People with disability	5	
Youth (35 and below)	5	
Location of enterprise (Province)	2	
B-BBEE status level contributors from level 1 to 2 which are QSE or EME	3	
<b>Total points for SPECIFIC GOALS</b>	<b>20</b>	

#### **DECLARATION WITH REGARD TO COMPANY/FIRM**

4.3. Name of company/firm.....

4.4. Company registration number: .....

4.5. TYPE OF COMPANY/ FIRM

Partnership/Joint Venture / Consortium

One-person business/sole propriety

Close corporation

Public Company

Personal Liability Company

(Pty) Limited

Non-Profit Company

State Owned Company

[TICK APPLICABLE BOX]

4.6. I, the undersigned, who is duly authorised to do so on behalf of the company/firm, certify that the points claimed, based on the specific goals as advised in the tender, qualifies the

company/ firm for the preference(s) shown and I acknowledge that:

- i) The information furnished is true and correct;
- ii) The preference points claimed are in accordance with the General Conditions as indicated in paragraph 1 of this form;
- iii) In the event of a contract being awarded as a result of points claimed as shown in paragraphs 1.4 and 4.2, the contractor may be required to furnish documentary proof to the satisfaction of the organ of state that the claims are correct;
- iv) If the specific goals have been claimed or obtained on a fraudulent basis or any of the conditions of contract have not been fulfilled, the organ of state may, in addition to any other remedy it may have –
  - (a) disqualify the person from the tendering process;
  - (b) recover costs, losses or damages it has incurred or suffered as a result of that person's conduct;
  - (c) cancel the contract and claim any damages which it has suffered as a result of having to make less favourable arrangements due to such cancellation.
  - (d) recommend that the tenderer or contractor, its shareholders and directors, or only the shareholders and directors who acted on a fraudulent basis, be restricted from obtaining business from any organ of state for a period not exceeding 10 years, after the *audi alteram partem* (hear the other side) rule has been applied; and
  - (e) forward the matter for criminal prosecution, if deemed necessary.

## STANDARD EVALUATION CRITERIA IN TERMS OF THE PREFERENTIAL PROCUREMENT REGULATIONS 2022

### THE 80/20 POINTS AWARDED FOR PRICE AND SPECIFIC GOALS

The 80/20 Preferential Procurement System will be used in evaluating these bids:

Evaluation element	Weighting (Points)
SPECIFIC GOALS	20
PRICE	80
<b>Total</b>	<b>100</b>

#### Price

A maximum of 80 points are allocated for price on the following basis:

$$P_s = 80 \left( 1 - \frac{P_t - P_{\min}}{P_{\min}} \right)$$

Where:

$P_s$  = Points scored for comparative price of bid under consideration

$P_t$  = Comparative price of bid under consideration

$P_{\min}$  = Comparative price of lowest acceptable bid

#### Preference point system

SPECIFIC GOALS	NUMBER OF POINTS TO BE ALLOCATED
Women	5
People with disability	5
Youth (35 and below)	5
Location of enterprise (Province)	2
B-BBEE status level contributors from level 1 to 2 which are QSE or EME	3
<b>Total points for SPECIFIC GOALS</b>	<b>20</b>

Documents Requirement for verification of Points allocation: -

#### Procurement Requirement

Women

Disability

Youth

Location

B-BBEE status level contributors from level 1 to 2 which are QSE or EME

#### Required Proof Documents

Full CSD Report

Full CSD Report

Full CSD Report

Full CSD Report

Valid BBBEE certificate/sworn affidavit

Consolidated BEE certificate in cases of Joint Venture

Full CSD Report

**The definition and measurement of the goals above is as follows:**

**Women, disability, and youth:**

This will be measured by calculating the pro-rata percentage of ownership of the bidding company which meets this criterion. E.g., Company A has five shareholders each of whom own 20% of the company. Three of the five shareholders meet the criterion, i.e. they are women/disability/youth. Therefore, this bidder will obtain 60% of the points allowable for this goal.

**Location of enterprise**

Local equals province. Where a project cuts across more than one province, the bidder may be located in any of the relevant provinces to obtain the points.

**B-BBEE status level contributors from level 1 to 2 which are QSE or EME**

Measured in terms of normal BBBEE requirements.

**Note: Formula for calculating points for specific goals**

Preference points for entities are calculated on their percentage shareholding in a business, provided that they are actively involved in and exercise control over the enterprise. The following formula is prescribed:

$$PC = \frac{Mpa \times P\text{-own}}{100}$$

Where

**PC**= Points awarded for specific goal

**Mpa**= The maximum number of points awarded for ownership in that specific category

**P-own** = The percentage of equity ownership by the enterprise or business

## RESOLUTION OF BOARD OF DIRECTORS FOR COMPANY /CLOSE CORPORATION/ PARTNERSHIP

**RESOLUTION** of a meeting of the Board of \*Directors / Members / Partners of:

\_\_\_\_\_ (legally correct full name and registration number, if applicable, of the Enterprise)

Directors / Members / Partners of the Bidding Enterprise may alternatively delegate a person to sign this document on behalf of the Bidding Enterprise, which person must be so authorized by way of a duly completed Delegation of Authority letter, signed by the Directors / Members / Partners holding a majority of the shares / ownership of the Bidding Enterprise (proof of shareholding / ownership and Delegation of Authority letter are to be attached hereto).
5. Should the number of Directors / Members / Partners exceed the space available above, additional names and signatures must be supplied on a separate page.

**ENTERPRISE STAMP**

**GOVERNMENT PROCUREMENT**  
**GENERAL CONDITIONS OF CONTRACT**  
**July 2010**

**NOTES**

The purpose of this document is to:

- (i) Draw special attention to certain general conditions applicable to government bids, contracts and orders; and
- (ii) To ensure that clients be familiar with regard to the rights and obligations of all parties involved in doing business with government.

In this document words in the singular also mean in the plural and vice versa and words in the masculine also mean in the feminine and neuter.

- The General Conditions of Contract will form part of all bid documents and may not be amended.
- Special Conditions of Contract (SCC) relevant to a specific bid, should be compiled separately for every bid (if applicable) and will supplement the General Conditions of Contract. Whenever there is a conflict, the provisions in the SCC shall prevail.

## **General Conditions of Contract**

### **1. Definitions**

1. The following terms shall be interpreted as indicated:
  - 1.1 “Closing time” means the date and hour specified in the bidding documents for the receipt of bids.
  - 1.2 “Contract” means the written agreement entered into between the purchaser and the supplier, as recorded in the contract form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein.
  - 1.3 “Contract price” means the price payable to the supplier under the contract for the full and proper performance of his contractual obligations.
  - 1.4 “Corrupt practice” means the offering, giving, receiving, or soliciting of any thing of value to influence the action of a public official in the procurement process or in contract execution.
  - 1.5 "Countervailing duties" are imposed in cases where an enterprise abroad is subsidized by its government and encouraged to market its products internationally.
  - 1.6 “Country of origin” means the place where the goods were mined, grown or produced or from which the services are supplied. Goods are produced when, through manufacturing, processing or substantial and major assembly of components, a commercially recognized new product results that is substantially different in basic characteristics or in purpose or utility from its components.
  - 1.7 “Day” means calendar day.
  - 1.8 “Delivery” means delivery in compliance of the conditions of the contract or order.
  - 1.9 “Delivery ex stock” means immediate delivery directly from stock actually on hand.
  - 1.10 “Delivery into consignees store or to his site” means delivered and unloaded in the specified store or depot or on the specified site in compliance with the conditions of the contract or order, the supplier bearing all risks and charges involved until the supplies are so delivered and a valid receipt is obtained.
  - 1.11 "Dumping" occurs when a private enterprise abroad market its goods on own initiative in the RSA at lower prices than that of the country of origin and which have the potential to harm the local industries in the RSA.

- 1.12 "Force majeure" means an event beyond the control of the supplier and not involving the supplier's fault or negligence and not foreseeable. Such events may include, but is not restricted to, acts of the purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.
- 1.13 "Fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of any bidder, and includes collusive practice among bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the bidder of the benefits of free and open competition.
- 1.14 "GCC" means the General Conditions of Contract.
- 1.15 "Goods" means all of the equipment, machinery, and/or other materials that the supplier is required to supply to the purchaser under the contract.
- 1.16 "Imported content" means that portion of the bidding price represented by the cost of components, parts or materials which have been or are still to be imported (whether by the supplier or his subcontractors) and which costs are inclusive of the costs abroad, plus freight and other direct importation costs such as landing costs, dock dues, import duty, sales duty or other similar tax or duty at the South African place of entry as well as transportation and handling charges to the factory in the Republic where the supplies covered by the bid will be manufactured.
- 1.17 "Local content" means that portion of the bidding price which is not included in the imported content provided that local manufacture does take place.
- 1.18 "Manufacture" means the production of products in a factory using labour, materials, components and machinery and includes other related value-adding activities.
- 1.19 "Order" means an official written order issued for the supply of goods or works or the rendering of a service.
- 1.20 "Project site," where applicable, means the place indicated in bidding documents.
- 1.21 "Purchaser" means the organization purchasing the goods.
- 1.22 "Republic" means the Republic of South Africa.
- 1.23 "SCC" means the Special Conditions of Contract.
- 1.24 "Services" means those functional services ancillary to the supply of the goods, such as transportation and any other incidental services, such as installation, commissioning, provision of technical assistance, training, catering, gardening, security, maintenance and other such obligations of the supplier covered under the contract.

- 1.25 “Written” or “in writing” means handwritten in ink or any form of electronic or mechanical writing.
- 2. Application**
- 2.1 These general conditions are applicable to all bids, contracts and orders including bids for functional and professional services, sales, hiring, letting and the granting or acquiring of rights, but excluding immovable property, unless otherwise indicated in the bidding documents.
- 2.2 Where applicable, special conditions of contract are also laid down to cover specific supplies, services or works.
- 2.3 Where such special conditions of contract are in conflict with these general conditions, the special conditions shall apply.
- 3. General**
- 3.1 Unless otherwise indicated in the bidding documents, the purchaser shall not be liable for any expense incurred in the preparation and submission of a bid. Where applicable a non-refundable fee for documents may be charged.
- 3.2 With certain exceptions, invitations to bid are only published in the Government Tender Bulletin. The Government Tender Bulletin may be obtained directly from the Government Printer, Private Bag X85, Pretoria 0001, or accessed electronically from [www.treasury.gov.za](http://www.treasury.gov.za)
- 4. Standards**
- 4.1 The goods supplied shall conform to the standards mentioned in the bidding documents and specifications.
- 5. Use of contract documents and information; inspection.**
- 5.1 The supplier shall not, without the purchaser’s prior written consent, disclose the contract, or any provision thereof, or any specification, plan, drawing, pattern, sample, or information furnished by or on behalf of the purchaser in connection therewith, to any person other than a person employed by the supplier in the performance of the contract. Disclosure to any such employed person shall be made in confidence and shall extend only so far as may be necessary for purposes of such performance.
- 5.2 The supplier shall not, without the purchaser’s prior written consent, make use of any document or information mentioned in GCC clause 5.1 except for purposes of performing the contract.
- 5.3 Any document, other than the contract itself mentioned in GCC clause 5.1 shall remain the property of the purchaser and shall be returned (all copies) to the purchaser on completion of the supplier’s performance under the contract if so required by the purchaser.
- 5.4 The supplier shall permit the purchaser to inspect the supplier’s records relating to the performance of the supplier and to have them audited by auditors appointed by the purchaser, if so required by the purchaser.
- 6. Patent rights**
- 6.1 The supplier shall indemnify the purchaser against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the goods or any part thereof by the purchaser.
- 7. Performance**
- 7.1 Within thirty (30) days of receipt of the notification of contract award,

**security**

the successful bidder shall furnish to the purchaser the performance security of the amount specified in SCC.

- 7.2 The proceeds of the performance security shall be payable to the purchaser as compensation for any loss resulting from the supplier's failure to complete his obligations under the contract.
- 7.3 The performance security shall be denominated in the currency of the contract, or in a freely convertible currency acceptable to the purchaser and shall be in one of the following forms:
- (a) a bank guarantee or an irrevocable letter of credit issued by a reputable bank located in the purchaser's country or abroad, acceptable to the purchaser, in the form provided in the bidding documents or another form acceptable to the purchaser; or
  - (b) a cashier's or certified cheque
- 7.4 The performance security will be discharged by the purchaser and returned to the supplier not later than thirty (30) days following the date of completion of the supplier's performance obligations under the contract, including any warranty obligations, unless otherwise specified in SCC.

**8. Inspections, tests and analyses**

- 8.1 All pre-bidding testing will be for the account of the bidder.
- 8.2 If it is a bid condition that supplies to be produced or services to be rendered should at any stage during production or execution or on completion be subject to inspection, the premises of the bidder or contractor shall be open, at all reasonable hours, for inspection by a representative of the Department or an organization acting on behalf of the Department.
- 8.3 If there are no inspection requirements indicated in the bidding documents and no mention is made in the contract, but during the contract period it is decided that inspections shall be carried out, the purchaser shall itself make the necessary arrangements, including payment arrangements with the testing authority concerned.
- 8.4 If the inspections, tests and analyses referred to in clauses 8.2 and 8.3 show the supplies to be in accordance with the contract requirements, the cost of the inspections, tests and analyses shall be defrayed by the purchaser.
- 8.5 Where the supplies or services referred to in clauses 8.2 and 8.3 do not comply with the contract requirements, irrespective of whether such supplies or services are accepted or not, the cost in connection with these inspections, tests or analyses shall be defrayed by the supplier.
- 8.6 Supplies and services which are referred to in clauses 8.2 and 8.3 and which do not comply with the contract requirements may be rejected.
- 8.7 Any contract supplies may on or after delivery be inspected, tested or analyzed and may be rejected if found not to comply with the requirements of the contract. Such rejected supplies shall be held at the

cost and risk of the supplier who shall, when called upon, remove them immediately at his own cost and forthwith substitute them with supplies which do comply with the requirements of the contract. Failing such removal the rejected supplies shall be returned at the suppliers cost and risk. Should the supplier fail to provide the substitute supplies forthwith, the purchaser may, without giving the supplier further opportunity to substitute the rejected supplies, purchase such supplies as may be necessary at the expense of the supplier.

- 8.8 The provisions of clauses 8.4 to 8.7 shall not prejudice the right of the purchaser to cancel the contract on account of a breach of the conditions thereof, or to act in terms of Clause 23 of GCC.

## **9. Packing**

- 9.1 The supplier shall provide such packing of the goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit, and open storage. Packing, case size and weights shall take into consideration, where appropriate, the remoteness of the goods' final destination and the absence of heavy handling facilities at all points in transit.
- 9.2 The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the contract, including additional requirements, if any, specified in SCC, and in any subsequent instructions ordered by the purchaser.

## **10. Delivery and documents**

- 10.1 Delivery of the goods shall be made by the supplier in accordance with the terms specified in the contract. The details of shipping and/or other documents to be furnished by the supplier are specified in SCC.
- 10.2 Documents to be submitted by the supplier are specified in SCC.

## **11. Insurance**

- 11.1 The goods supplied under the contract shall be fully insured in a freely convertible currency against loss or damage incidental to manufacture or acquisition, transportation, storage and delivery in the manner specified in the SCC.

## **12. Transportation**

- 12.1 Should a price other than an all-inclusive delivered price be required, this shall be specified in the SCC.

## **13. Incidental services**

- 13.1 The supplier may be required to provide any or all of the following services, including additional services, if any, specified in SCC:
- (a) performance or supervision of on-site assembly and/or commissioning of the supplied goods;
  - (b) furnishing of tools required for assembly and/or maintenance of the supplied goods;
  - (c) furnishing of a detailed operations and maintenance manual for each appropriate unit of the supplied goods;
  - (d) performance or supervision or maintenance and/or repair of the supplied goods, for a period of time agreed by the parties,

- provided that this service shall not relieve the supplier of any warranty obligations under this contract; and
- (e) training of the purchaser's personnel, at the supplier's plant and/or on-site, in assembly, start-up, operation, maintenance, and/or repair of the supplied goods.

13.2 Prices charged by the supplier for incidental services, if not included in the contract price for the goods, shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the supplier for similar services.

#### **14. Spare parts**

14.1 As specified in SCC, the supplier may be required to provide any or all of the following materials, notifications, and information pertaining to spare parts manufactured or distributed by the supplier:

- (a) such spare parts as the purchaser may elect to purchase from the supplier, provided that this election shall not relieve the supplier of any warranty obligations under the contract; and
- (b) in the event of termination of production of the spare parts:
  - (i) Advance notification to the purchaser of the pending termination, in sufficient time to permit the purchaser to procure needed requirements; and
  - (ii) following such termination, furnishing at no cost to the purchaser, the blueprints, drawings, and specifications of the spare parts, if requested.

#### **15. Warranty**

15.1 The supplier warrants that the goods supplied under the contract are new, unused, of the most recent or current models, and that they incorporate all recent improvements in design and materials unless provided otherwise in the contract. The supplier further warrants that all goods supplied under this contract shall have no defect, arising from design, materials, or workmanship (except when the design and/or material is required by the purchaser's specifications) or from any act or omission of the supplier, that may develop under normal use of the supplied goods in the conditions prevailing in the country of final destination.

15.2 This warranty shall remain valid for twelve (12) months after the goods, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the contract, or for eighteen (18) months after the date of shipment from the port or place of loading in the source country, whichever period concludes earlier, unless specified otherwise in SCC.

15.3 The purchaser shall promptly notify the supplier in writing of any claims arising under this warranty.

15.4 Upon receipt of such notice, the supplier shall, within the period specified in SCC and with all reasonable speed, repair or replace the defective goods or parts thereof, without costs to the purchaser.

15.5 If the supplier, having been notified, fails to remedy the defect(s) within the period specified in SCC, the purchaser may proceed to take such remedial action as may be necessary, at the supplier's risk and expense and without prejudice to any other rights which the purchaser

may have against the supplier under the contract.

**16. Payment**

- 16.1 The method and conditions of payment to be made to the supplier under this contract shall be specified in SCC.
- 16.2 The supplier shall furnish the purchaser with an invoice accompanied by a copy of the delivery note and upon fulfillment of other obligations stipulated in the contract.
- 16.3 Payments shall be made promptly by the purchaser, but in no case later than thirty (30) days after submission of an invoice or claim by the supplier.
- 16.4 Payment will be made in Rand unless otherwise stipulated in SCC.

**17. Prices**

- 17.1 Prices charged by the supplier for goods delivered and services performed under the contract shall not vary from the prices quoted by the supplier in his bid, with the exception of any price adjustments authorized in SCC or in the purchaser's request for bid validity extension, as the case may be.

**18. Contract amendments**

- 18.1 No variation in or modification of the terms of the contract shall be made except by written amendment signed by the parties concerned.

**19. Assignment**

- 19.1 The supplier shall not assign, in whole or in part, its obligations to perform under the contract, except with the purchaser's prior written consent.

**20. Subcontracts**

- 20.1 The supplier shall notify the purchaser in writing of all subcontracts awarded under this contracts if not already specified in the bid. Such notification, in the original bid or later, shall not relieve the supplier from any liability or obligation under the contract.

**21. Delays in the supplier's performance**

- 21.1 Delivery of the goods and performance of services shall be made by the supplier in accordance with the time schedule prescribed by the purchaser in the contract.
- 21.2 If at any time during performance of the contract, the supplier or its subcontractor(s) should encounter conditions impeding timely delivery of the goods and performance of services, the supplier shall promptly notify the purchaser in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the supplier's notice, the purchaser shall evaluate the situation and may at his discretion extend the supplier's time for performance, with or without the imposition of penalties, in which case the extension shall be ratified by the parties by amendment of contract.
- 21.3 No provision in a contract shall be deemed to prohibit the obtaining of supplies or services from a national department, provincial department, or a local authority.
- 21.4 The right is reserved to procure outside of the contract small quantities or to have minor essential services executed if an emergency arises, the supplier's point of supply is not situated at or near the place where the supplies are required, or the supplier's services are not readily

available.

21.5 Except as provided under GCC Clause 25, a delay by the supplier in the performance of its delivery obligations shall render the supplier liable to the imposition of penalties, pursuant to GCC Clause 22, unless an extension of time is agreed upon pursuant to GCC Clause 21.2 without the application of penalties.

21.6 Upon any delay beyond the delivery period in the case of a supplies contract, the purchaser shall, without canceling the contract, be entitled to purchase supplies of a similar quality and up to the same quantity in substitution of the goods not supplied in conformity with the contract and to return any goods delivered later at the supplier's expense and risk, or to cancel the contract and buy such goods as may be required to complete the contract and without prejudice to his other rights, be entitled to claim damages from the supplier.

## **22. Penalties**

22.1 Subject to GCC Clause 25, if the supplier fails to deliver any or all of the goods or to perform the services within the period(s) specified in the contract, the purchaser shall, without prejudice to its other remedies under the contract, deduct from the contract price, as a penalty, a sum calculated on the delivered price of the delayed goods or unperformed services using the current prime interest rate calculated for each day of the delay until actual delivery or performance. The purchaser may also consider termination of the contract pursuant to GCC Clause 23.

## **23. Termination for default**

23.1 The purchaser, without prejudice to any other remedy for breach of contract, by written notice of default sent to the supplier, may terminate this contract in whole or in part:

- (a) if the supplier fails to deliver any or all of the goods within the period(s) specified in the contract, or within any extension thereof granted by the purchaser pursuant to GCC Clause 21.2;
- (b) if the Supplier fails to perform any other obligation(s) under the contract; or
- (c) if the supplier, in the judgment of the purchaser, has engaged in corrupt or fraudulent practices in competing for or in executing the contract.

23.2 In the event the purchaser terminates the contract in whole or in part, the purchaser may procure, upon such terms and in such manner as it deems appropriate, goods, works or services similar to those undelivered, and the supplier shall be liable to the purchaser for any excess costs for such similar goods, works or services. However, the supplier shall continue performance of the contract to the extent not terminated.

23.3 Where the purchaser terminates the contract in whole or in part, the purchaser may decide to impose a restriction penalty on the supplier by prohibiting such supplier from doing business with the public sector for a period not exceeding 10 years.

23.4 If a purchaser intends imposing a restriction on a supplier or any person associated with the supplier, the supplier will be allowed a time period of not more than fourteen (14) days to provide reasons why the

envisaged restriction should not be imposed. Should the supplier fail to respond within the stipulated fourteen (14) days the purchaser may regard the intended penalty as not objected against and may impose it on the supplier.

23.5 Any restriction imposed on any person by the Accounting Officer / Authority will, at the discretion of the Accounting Officer / Authority, also be applicable to any other enterprise or any partner, manager, director or other person who wholly or partly exercises or exercised or may exercise control over the enterprise of the first-mentioned person, and with which enterprise or person the first-mentioned person, is or was in the opinion of the Accounting Officer / Authority actively associated.

23.6 If a restriction is imposed, the purchaser must, within five (5) working days of such imposition, furnish the National Treasury, with the following information:

- (i) the name and address of the supplier and / or person restricted by the purchaser;
- (ii) the date of commencement of the restriction
- (iii) the period of restriction; and
- (iv) the reasons for the restriction.

These details will be loaded in the National Treasury's central database of suppliers or persons prohibited from doing business with the public sector.

23.7 If a court of law convicts a person of an offence as contemplated in sections 12 or 13 of the Prevention and Combating of Corrupt Activities Act, No. 12 of 2004, the court may also rule that such person's name be endorsed on the Register for Tender Defaulters. When a person's name has been endorsed on the Register, the person will be prohibited from doing business with the public sector for a period not less than five years and not more than 10 years. The National Treasury is empowered to determine the period of restriction and each case will be dealt with on its own merits. According to section 32 of the Act the Register must be open to the public. The Register can be perused on the National Treasury website.

#### **24. Anti-dumping and countervailing duties and rights**

24.1 When, after the date of bid, provisional payments are required, or anti-dumping or countervailing duties are imposed, or the amount of a provisional payment or anti-dumping or countervailing right is increased in respect of any dumped or subsidized import, the State is not liable for any amount so required or imposed, or for the amount of any such increase. When, after the said date, such a provisional payment is no longer required or any such anti-dumping or countervailing right is abolished, or where the amount of such provisional payment or any such right is reduced, any such favourable difference shall on demand be paid forthwith by the contractor to the State or the State may deduct such amounts from moneys (if any) which may otherwise be due to the contractor in regard to supplies or services which he delivered or rendered, or is to deliver or render in terms of the contract or any other contract or any other amount which may be due to him

<b>25. Force Majeure</b>	<p>25.1 Notwithstanding the provisions of GCC Clauses 22 and 23, the supplier shall not be liable for forfeiture of its performance security, damages, or termination for default if and to the extent that his delay in performance or other failure to perform his obligations under the contract is the result of an event of force majeure.</p> <p>25.2 If a force majeure situation arises, the supplier shall promptly notify the purchaser in writing of such condition and the cause thereof. Unless otherwise directed by the purchaser in writing, the supplier shall continue to perform its obligations under the contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the force majeure event.</p>
<b>26. Termination for insolvency</b>	<p>26.1 The purchaser may at any time terminate the contract by giving written notice to the supplier if the supplier becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the supplier, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the purchaser.</p>
<b>27. Settlement of Disputes</b>	<p>27.1 If any dispute or difference of any kind whatsoever arises between the purchaser and the supplier in connection with or arising out of the contract, the parties shall make every effort to resolve amicably such dispute or difference by mutual consultation.</p> <p>27.2 If, after thirty (30) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either the purchaser or the supplier may give notice to the other party of his intention to commence with mediation. No mediation in respect of this matter may be commenced unless such notice is given to the other party.</p> <p>27.3 Should it not be possible to settle a dispute by means of mediation, it may be settled in a South African court of law.</p> <p>27.4 Mediation proceedings shall be conducted in accordance with the rules of procedure specified in the SCC.</p> <p>27.5 Notwithstanding any reference to mediation and/or court proceedings herein,</p> <p>(a) the parties shall continue to perform their respective obligations under the contract unless they otherwise agree; and</p> <p>(b) the purchaser shall pay the supplier any monies due the supplier.</p>
<b>28. Limitation of liability</b>	<p>28.1 Except in cases of criminal negligence or willful misconduct, and in the case of infringement pursuant to Clause 6;</p> <p>(a) the supplier shall not be liable to the purchaser, whether in contract, tort, or otherwise, for any indirect or consequential loss or damage, loss of use, loss of production, or loss of profits or interest costs, provided that this exclusion shall not apply to any obligation of the supplier to pay penalties and/or damages to the purchaser; and</p>

		(b) the aggregate liability of the supplier to the purchaser, whether under the contract, in tort or otherwise, shall not exceed the total contract price, provided that this limitation shall not apply to the cost of repairing or replacing defective equipment.
<b>29. Governing language</b>	29.1	The contract shall be written in English. All correspondence and other documents pertaining to the contract that is exchanged by the parties shall also be written in English.
<b>30. Applicable law</b>	30.1	The contract shall be interpreted in accordance with South African laws, unless otherwise specified in SCC.
<b>31. Notices</b>	31.1	Every written acceptance of a bid shall be posted to the supplier concerned by registered or certified mail and any other notice to him shall be posted by ordinary mail to the address furnished in his bid or to the address notified later by him in writing and such posting shall be deemed to be proper service of such notice
	31.2	The time mentioned in the contract documents for performing any act after such aforesaid notice has been given, shall be reckoned from the date of posting of such notice.
<b>32. Taxes and duties</b>	32.1	A foreign supplier shall be entirely responsible for all taxes, stamp duties, license fees, and other such levies imposed outside the purchaser's country.
	32.2	A local supplier shall be entirely responsible for all taxes, duties, license fees, etc., incurred until delivery of the contracted goods to the purchaser.
	32.3	No contract shall be concluded with any bidder whose tax matters are not in order. Prior to the award of a bid the Department must be in possession of a tax clearance certificate, submitted by the bidder. This certificate must be an original issued by the South African Revenue Services.
<b>33. National Industrial Participation (NIP) Programme</b>	33.1	The NIP Programme administered by the Department of Trade and Industry shall be applicable to all contracts that are subject to the NIP obligation.
<b>34. Prohibition of Restrictive practices</b>	34.1	In terms of section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, an agreement between, or concerted practice by, firms, or a decision by an association of firms, is prohibited if it is between parties in a horizontal relationship and if a bidder (s) is / are or a contractor(s) was / were involved in collusive bidding (or bid rigging).
	34.2	If a bidder(s) or contractor(s), based on reasonable grounds or evidence obtained by the purchaser, has / have engaged in the restrictive practice referred to above, the purchaser may refer the matter to the Competition Commission for investigation and possible imposition of administrative penalties as contemplated in the Competition Act No. 89 of 1998.

- 34.3 If a bidder(s) or contractor(s), has / have been found guilty by the Competition Commission of the restrictive practice referred to above, the purchaser may, in addition and without prejudice to any other remedy provided for, invalidate the bid(s) for such item(s) offered, and / or terminate the contract in whole or part, and / or restrict the bidder(s) or contractor(s) from conducting business with the public sector for a period not exceeding ten (10) years and / or claim damages from the bidder(s) or contractor(s) concerned.

Js General Conditions of Contract (revised July 2010)

## RESOLUTION OF BOARD OF DIRECTORS TO ENTER INTO CONSORTIA OR JOINT VENTURES

**RESOLUTION** of a meeting of the Board of \*Directors / Members / Partners of:

\_\_\_\_\_  
(Legally correct full name and registration number, if applicable, of the Enterprise)

Held at \_\_\_\_\_ (place)

on \_\_\_\_\_ (date)

**RESOLVED** that:

1. The Enterprise submits a Bid /Tender, in consortium/Joint Venture with the following Enterprises:

\_\_\_\_\_  
(List all the legally correct full names and registration numbers, if applicable, of the Enterprises forming the Consortium/Joint Venture)

to the Department of Water and Sanitation in respect of the following project:

\_\_\_\_\_  
(Project description as per Bid /Tender Document)

Bid / Tender Number: \_\_\_\_\_ (Bid / Tender Number as per Bid / Tender Document)

2. \*Mr/Mrs/Ms: \_\_\_\_\_

in \*his/her Capacity as: \_\_\_\_\_ (Position in the Enterprise)

and who will sign as follows: \_\_\_\_\_

be, and is hereby, authorised to sign a consortium/joint venture agreement with the parties listed under item 1 above, and any and all other documents and/or correspondence in connection with and relating to the consortium/joint venture, in respect of the project described under item 1 above.

3. The Enterprise accepts joint and several liability with the parties listed under item 1 above for the due fulfilment of the obligations of the joint venture deriving from, and in any way connected with, the Contract to be entered into with the Department in respect of the project described under item 1 above.
4. The Enterprise chooses as its *domicilium citandi et executandi* for all purposes arising from this joint venture agreement and the Contract with the Department in respect of the project under item 1 above:

Physical address: \_\_\_\_\_

\_\_\_\_\_

Capacity as: \_\_\_\_\_  
*(Position in the*

*Enterprise)* and who will sign as follows: \_\_\_\_\_

be, and is hereby, authorized to sign the Bid, and any and all other documents and/or correspondence in connection with and relating to the Bid, as well as to sign any Contract, and any and all documentation, resulting from the award of the Bid to the Enterprises in Consortium/Joint Venture mentioned above.

- C. The Enterprises constituting the Consortium/Joint Venture, notwithstanding its composition, shall conduct all business under the name and style of:

- D. The Enterprises to the Consortium/Joint Venture accept joint and several liability for the due fulfilment of the obligations of the Consortium/Joint Venture deriving from, and in any way connected with, the Contract entered into with the Department in respect of the project described under item A above.

- E. Any of the Enterprises to the Consortium/Joint Venture intending to terminate the consortium/joint venture agreement, for whatever reason, shall give the Department 30 days written notice of such intention. Notwithstanding such decision to terminate, the Enterprises shall remain jointly and severally liable to the Department for the due fulfilment of the obligations of the Consortium/Joint

Venture as mentioned under item D above.

- F. No Enterprise to the Consortium/Joint Venture shall, without the prior written consent of the other Enterprises to the Consortium/Joint Venture and of the Department, cede any of its rights or assign any of its obligations under the consortium/joint venture agreement in relation to the Contract with the Department referred to herein.
- G. The Enterprises choose as the *domicilium citandi et executandi* of the Consortium/Joint Venture for all purposes arising from the consortium/joint venture agreement and the Contract with the Department in respect of the project under item A above:

## 1 BACKGROUND

The Department of Water and Sanitation (DWS) is the custodian of the water resources of South Africa and undertakes water resources planning as one of its core functions.

The water resources planning function is carried out by the Directorate Strategic Water Resource Planning (D: SWRP), which develops national strategies and procedures for the reconciliation of water availability and requirements to meet national, social and economic development objectives, including strategic requirements, resource quality objectives and international obligations.

The Directorate has mandate in terms of the National Water Act, Chapter 2, Section 23, Subsection 6 (1)(d) and (f) on the Water Management Strategies, Chapter 10, Section 102 (a)(b)(c) and (d) on International Water Management and also in the National Water Resource Strategy 3, Chapter 5.

The Directorate comprises four sub-directorates, delineated on a catchment area basis. The purpose of each sub-directorate is the same as that of the D: SWRP. The four sub-directorates are as follows:

- Planning Area North - Limpopo and Olifants River catchments (Limpopo-Olifants WMA)
- Planning Area Central - Vaal and Orange River catchments (Vaal-Orange WMA)
- Planning Area East - Sabie, Nkomati, Usuthu, Pongola and all the rivers draining to the KwaZulu-Natal coast (Inkomati-Usuthu and Pongola-Mtamvuna WMA)
- Planning Area South - All rivers draining to the coasts of Eastern and Western Cape (Mzimvubu Tsitsikamma WMA and Breede -Olifants WMA)

The activities undertaken by the DWS through the D: SWRP, Limpopo Regional Office and Limpopo CMA lead directly into the tasks envisaged under this proposed study for which this Terms of Reference (ToR) was developed. The scope of this ToR is focussed on the planning activities for D: SWRP's **Planning Area North (i.e. Limpopo and Olifants River catchments (Limpopo-Olifants WMA))** and as further described elsewhere in this document.

Water resource strategies must be updated on a regular basis to adapt to changing situations, to incorporate new information as this becomes available and by updating the hydrology and conducting yield analyses. This will ensure that intervention planning can be adjusted to account for any changes that may have an impact on the projected water balance for the catchments.

The study is a continuation of a number of previous studies that have previously been undertaken in the area. It aims to systematically improve strategies in the reconciliation of water requirements by reviewing source information like demographics, service levels, water requirements, water services infrastructure, water resource availability, water quality and updating of the water balance. The relevant existing strategies can be accessed by clicking the following link: <https://www.dws.gov.za/iwrp/OlifantsRecon/default.aspx>

The above mentioned strategies have as planning objectives, to (i) reconcile future water requirements with supply for at least a 25-year planning horizon, (ii) to provide a framework for decision-making in securing supply and managing demand, (iii) assuring as far as possible, availability

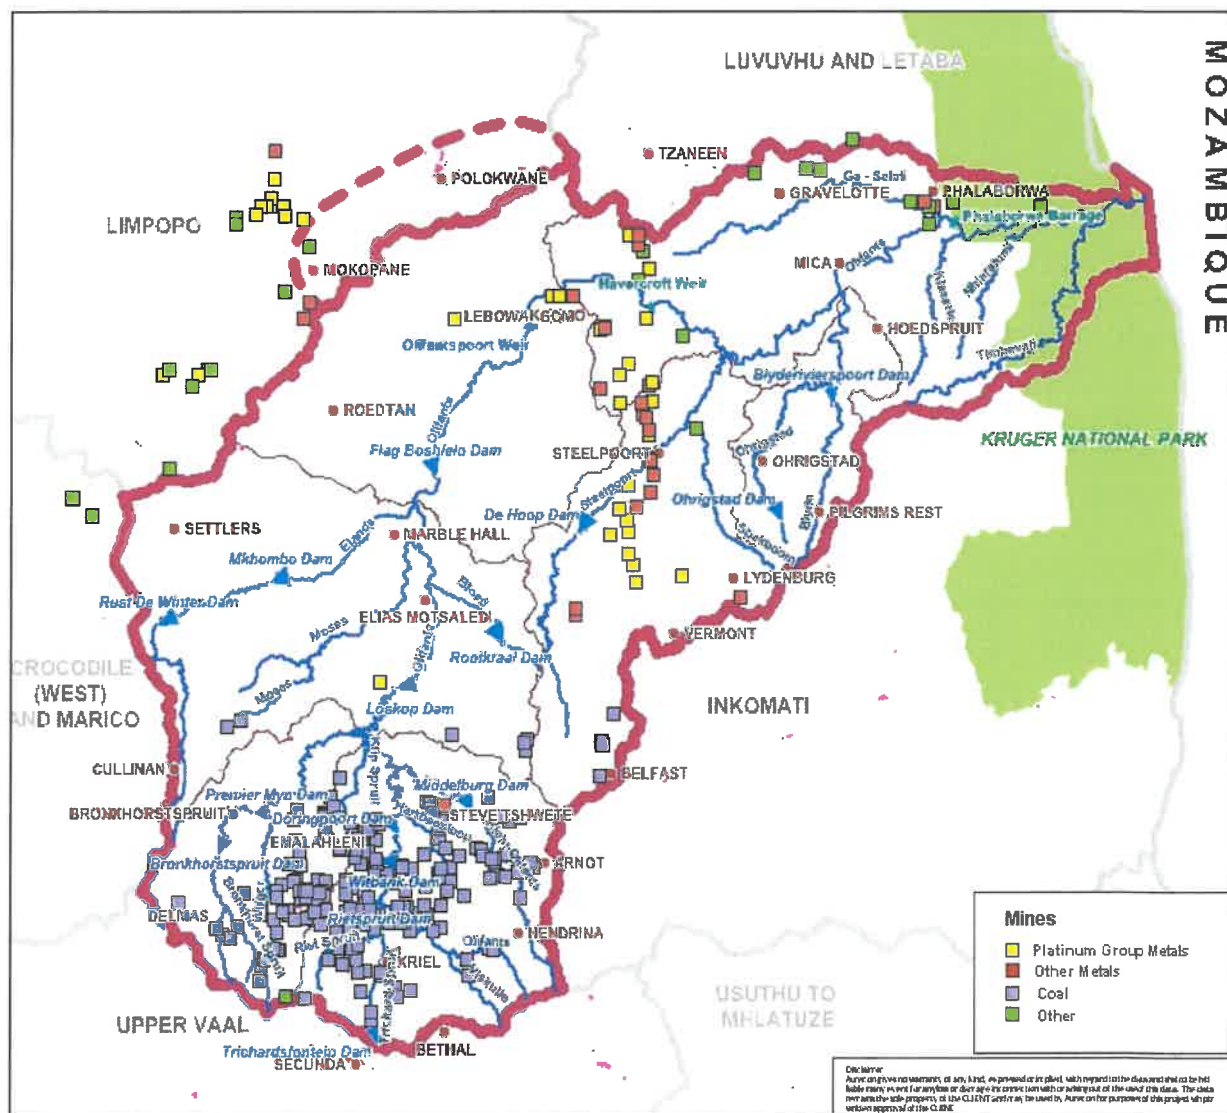

of enough water to meet the needs of all the consumers within the respective catchments, (iv) at the same time making provision for ecological reserve, transfers between Water Management Areas (WMAs) and the country's International Obligations on water resources.

## 2 OVERVIEW OF OLIFANTS RIVER WATER SUPPLY SYSTEM

The Olifants River Catchment is located in the north-eastern part of South Africa. The main rivers within the catchment are the Olifants, Steelpoort, Elands and Wilge Rivers. There are several major dams within the Olifants River catchment, of which the largest are Mkombo (Rhenosterkop), Rust de Winter, Ohrigstad, Blyderivierspoort, Flag Boshielo and the recently constructed De Hoop Dam.

The area under investigation is the entire Olifants River catchment (as defined in the first NWRS 2004) and parts of the adjacent catchments which receive water from the Olifants River system, including (Sand), and also those that transfer water into the Olifants (Letaba, Inkomati and Vaal). The Study Area is shown in Figure 1.

**Figure 1: Study Area**

The water requirements in the Olifants River catchment and its adjacent supply areas have increased substantially over the last number of years due to increases in water use requirements from a range of activities including power generation, mining, the steel industry, urban development and agriculture. The mining industry in particular has grown significantly.

To ease some of the pressure put on water resources and to facilitate further economic development within the Olifants River system, DWS (then DWAF) commissioned the construction of the De Hoop Dam in the Steelpoort River. In the Olifants WMA Internal Strategic Perspective (2004), it was envisaged that this dam will deliver enough water for the local needs. However, since then water requirements in the area have increased substantially and the indications are that these requirements exceed the firm yield of the De Hoop Dam. Therefore, there was an urgent need to develop a comprehensive reconciliation strategy for the whole Olifants River system (which would look at the growing water requirements on the one hand and at the potential system yield increase on the other and provide reconciliation options). As a result, the Department commissioned the study: "Development of a Reconciliation Strategy for the Olifants River System".

The Reconciliation Strategy for the Olifants River Water Supply System was developed in December 2011. The strategy inter alia covers all aspects of monitoring and assessing water requirements, as well as planning and implementation of water use efficiency options, schemes to provide supplementary water, implementation of the Reserve, groundwater utilisation, decision making, funding, stakeholder commitment, etc.

The Olifants River Water Supply System Reconciliation Strategy: Continuation (Implementation and Maintenance) Phase 1 commenced in September 2012 and closed in August 2015.

For the strategy to be implemented and to properly fulfil its purpose into the future the water balance situation needs to be continuously monitored and the strategy must be regularly updated and maintained in general. This will ensure that intervention planning can be adjusted to account for any changes that may have an impact on the projected water balance.

### **3 PURPOSE, OBJECTIVES AND EXPECTED RESULTS OF THE STUDY**

The objective of this study is to undertake the update of the reconciliation strategies for the Olifants River Water Supply System in Planning Area North over at least a 25-year planning horizon from the end date of the study. The coverage specifically includes support on the, review and updating of strategies to Reconcile Water Availability and Requirements for the Olifants River Water Supply System.

This proposed study is expected to systematically update and improve the water resource reconciliation strategy so that it remains relevant, technically sound, economically viable, socially acceptable, creating security for the future water resource and enabling implementation of relevant interventions by the relevant authorities. To achieve the objective, the following main aspects / technical tasks must be covered in the study:

- Assess water resources availability for Olifants River Water Supply System;
- Collate, review and report on all available information on current and future water demands, and options for reconciliations for the study area;
- Determine current and future water demand requirements and return flows;
- Compile demand projection scenarios with interventions to address water deficits;

- Identify and assess the impact of environmental and water quality related issues;
- Update the hydrology for the Olifants River Catchment
- Configure the system models (WRSM2000, WRYM, WRPM) of the study area in a manner that is suitable to quantify allocable water. This includes updating the hydrology and accounting for ground-surface water interaction;
- Address growing water requirements as well as water quality problems experienced in the catchment(s);
- Identify and assess appropriate water resource augmentation / development options and provide reconciliation interventions to ensure synergy within the DWS regarding water resources management, both structural and administrative / regulatory;
- Evaluate bulk infrastructure plans and identify proposed extensions;
- Address water balance across the study area;
- Investigate possible effluent re-use options;
- Identify potential for Water Conservation and Water Demand Management (WC/WDM);
- develop the reconciliation strategy and monitor implementation of recommendations during the study;
- Analyse the impact of input of invasive alien plants in the area and make recommendations for eradication;
- Review the list of proposed schemes and update the cost estimates;
- Assess social and environmental impacts;
- Conduct stakeholder engagements and public participation
- Conduct training and capacity building for stakeholders as outlined in these ToRs.
- Groundwater analyses
- Water quality analyses
- Ensure budget allocation in financial proposal for the purchasing of necessary rainfall data update task.

It is envisaged that the study will cover a 36-months period.

## **4 STUDY GOVERNANCE**

### **4.1 Study Administration Management**

The Study Administration Management (SAM) comprises of the DWS Project Management and the PSP Study Leader teams. The SAM is responsible for the administration and management of the study. The SAM meetings will be held at least once every 3 months, commencing with a Mobilisation Meeting and a meeting at the end of the Inception Phase. Where possible, SAMs should be scheduled immediately before or after the Technical Support Group (TSG) meetings described in item 4.2.

### **4.2 Technical Support Group**

The Technical Support Group (TSG) comprise of the DWS Study Manager team, the PSP Team, DWS Technical Teams and other external technical teams that provide input into the first order detailed assessments and analyses of the strategy with the respective WMA. The TSG will hold meetings once every six months, commencing with a study inception meeting and a meeting at the end of the Inception Phase. A meeting of this committee will be held just before the Strategy Steering Committee

(SSC) meeting in the form of a Dry Run to that specific SSC meeting. All meetings will be held within the study sub-area in question.

### 4.3 Strategy Steering Committees

The SSC is a forum for stakeholder consultation and public participation and will function as a Project Steering Committee (PSC). The SSC, comprising of representatives of relevant DWS Directorates, other relevant National and Provincial Government Departments, Water Services Structures, municipalities, CMAs, Water Boards, Organised Agriculture, Mining and other interested parties identified during the study will provide high-level direction and guidance with support of the SAM and TSG.

It monitors the implementation of the Strategy where it has been developed, recommends adjustments to the Strategy when required and communicates to all stakeholders and the public about the progress with the implementation of the Strategy recommendations. The SSC shall convene once every six months.

**Table 1: Summary of all the meetings that are typically conducted within the duration of the study**

Item	Water supply system	Status of the Reconciliation Strategy	Governance Requirements			
			Study administration (SAM)	Study Steering Committee (Study SC)	Technical Support Group (TSG)	Strategy Steering Committee (SSC)
1.	Olifants River Water Supply System	Continuation phase 1	Yes, once every 3 months	None	Yes, once every 3 months	Yes, once every 6 months
<b>Total number of meetings</b>			<b>12</b>	<b>0</b>	<b>12</b>	<b>6</b>

Note that the SSC and TSG meetings are mandatory stakeholder engagements that must be budgeted for and be priced clearly and adequately in the bid document. During the conduct of the study, no budget will be allowed to be moved from these line items.

## 5 GENERAL TASK DESCRIPTION

The main tasks required from a PSP in support of the Strategy Steering Committee and Technical Support Group are as follows:

## 5.1 Task Background

A high-level SSC will be established to ensure that the Strategy is implemented and regularly updated, and to make recommendations on long-term planning activities required to ensure the ongoing adequacy of water available in the supply area. The SSC will be established with representatives nominated by the major stakeholders and role players in the respective Water Supply area, including representatives from *inter alia* Provincial Departments of Agriculture and Environmental Affairs and Development Planning, irrigation farmers, the Water Boards, the CMAs and civil society.

For the SSC to achieve its mandate, technical, scientific and administrative support will be provided by a TSG as described in 4.2 This support will be facilitated through DWS's Directorate Strategic Water Resource Planning. The Support Group will also include officials from relevant DWS Directorates, the respective Provincial Office, Relevant municipality representatives, Proto CMA representatives, and representatives of irrigators.

## 5.2 Functions of the PSP

The functions of the PSP are, where necessary and requested to do so, similar to the Technical Support Group activities listed above. The PSP will also be required to provide technical support related to the Strategy maintenance, review of study reports, high-level technical evaluations, preparing proposals and presentations and general tasks as requested by the TSG, as well as support with arranging meetings, preparing agendas, compiling minutes, status reports, newsletters and media releases.

releases.

***The PSP will reconcile all activities listed in this section with the deliverables listed in Table 2.***

The key tasks required from the PSP for the various work packages, where necessary and requested to do so, will *inter alia* include the following:

**5.3 Key tasks required from the PSP shall include the following:**

### 5.3.1 Work Package 1 – Olifants River WSS Reconciliation Strategy

This will cover the following tasks:

- Study Inception,
- Update stakeholder data base and conduct stakeholder engagement and public participation meetings through study administration meetings (SAM), Technical Support Group (TSG) and Strategy Steering Committee (SSC). Where necessary, these meetings will also incorporate work done in the other Work Packages.
- Review and summarize previous and current relevant studies

- Monitor the implementation of the existing strategy
- Update the existing strategy through;

#### 5.3.2 Work Package 2: Update the Hydrology

- Extending hydrology & system analyses – hydrology, yield (WRYM), planning (WRPM),
- Estimating water requirements – assess the water requirements and return flows, invasive alien plants, Reserve, International Obligations,
- Update cost estimates, economic, social & environmental assessment
- Assess the impact of climate change and incorporate it into the model,
- Include intervention options as options in the water balances, and as contained in the Reconciliation Strategy Report,
- The water balances must utilize the latest water requirements projections and contain the updated actual water use,
- The timing of the interventions should be reviewed as part of the finalization and the implementation of the Reconciliation Strategy,
- Add the impacts of load shifts once the associated intervention dates and volumes of load shifts (supply moved from one source to another) are confirmed by the WSAs as intervention options,
- Strategy Development,
- Final screening workshop,
- Update Strategy Interventions and Action Lists.
- Assessment of infrastructure
- Update progress on the integration of water treatment plants
- Obtain the following requirements or stipulations from the National Water Resource Strategy, or from other DWS processes and studies, as they apply to the Study Area: provisional water resource classifications; Ecological Reserve specifications. The Ecological Water Requirements will be included in the water balance graphs.
- Three -3 day site visits for the following: alternative interventions for augmenting water supply, understanding the whole water supply system including its infrastructure, and confirming existing and potent water resources and water use.
- Four-day training for each of the following 6 courses:
  - Estimation of water requirements,
  - Water resources planning,
  - WRSM2000 Rainfall-Runoff Model,
  - Water Resources Yield Model (WRYM),
  - Water Resources Planning Model (WRPM),
  - Water Conservation and Water Demand Management.

#### 5.3.3 Work Package 3: Groundwater Assessment in the Olifants WSS

This will cover the following tasks:

- Investigate possible groundwater development options and its conjunctive use in promoting water supply mix, and use SAMI module as part of the WRSM/Pitman model, numerical groundwater modelling,
- Groundwater Yield determination in the Olifants WSS Reconciliation Strategy,
- Assessment of groundwater infrastructure
- Assessment of the yield distribution and location of borehole yields and the potential for bulk and local supply
- Assessment of the potential for artificial recharge (yield of formation, method) and viability
- Produce maps that can be used in future for WSAs to establish where to target groundwater development on a localised level.
- High level assessment of groundwater abstraction impact
- 

#### 5.3.4 Work Package 4: Water Quality Assessment in the Olifants River WSS

This will cover the following tasks:

- Updating of water quality analyses
- Assessing the fitness for use of the water for key water users such as irrigation water use, industrial water use, domestic water use and aquatic ecosystems
- Consider the resource quality objectives (RQOs) established for the selected river reaches in the catchment area supplemented by water quality planning limits (WQPLs) for the remaining water resources

#### 5.3.5 Work Package 5: Removal of Invasive Alien Plants in the Olifants River catchment

This will cover the following tasks:

- Estimate stream flow reduction due to Invasive Alien Plants
- Investigate the potential of removal of Invasive Alien Plants in improving water availability
- Identify areas where removal of Invasive Alien Plants will make significant impact on water availability
- Develop a plan for removal of Invasive Alien Plants in consultation with relevant stakeholders who have potential who can operationalise it.
- Long term maintenance of the catchment regarding the removal of Invasive Alien Plants

#### 5.3.6 Work Package 6: Water Conservation and Water Demand Management

This will cover the following tasks:

- Assess the status quo with regard to water losses, NRW, efficiencies and WC/WDM activities in the various sectors such as Water Services Sector, Agriculture, Industry, Mining and Power Generation in the Olifants River Catchment
- Assess the potential savings from WC/WDM activities in the different sectors and determine the impact on future water projections
- Update WC/WDM measures and associated saving targets and update the Reconciliation Strategy

## **5.4 Capacity building and training**

The purpose of this task will be to provide training and technology transfer to Department officials and nominated individuals from the study area. This is a key component of the assignment, not only because it will serve to develop the competence and expertise of the individuals in question, but also because it will establish a common understanding of technical aspects between the Study team and the Client (DWS) and thereby contribute to the overall success of the assignment and related activities.

The PSP will be expected to propose a training framework during inception, which PSP will fund through consultation with the DWS and other interested organization(s). The framework shall clearly highlight:

- Training objectives;
- Identify training needs / purpose and what's to be achieved;
- Training methodologies to be used;
- Identification of potential trainees; and
- Establish a training plan with clear timelines, deliverables, training conveners and trainees, cost and venues.

Capacity building shall take the form of formal training which may include attending courses at approved institutes, formal training by experts from PSP, One-on-One mentoring as well as seconding to sites of technical studies. All these training options shall be assessed and be included in the framework report.

## **6 METHODOLOGY**

The PSP must provide a concise methodology of how they intend to conduct the study.

## **7 EXPERTISE OR SKILLS REQUIRED**

The PSP team must have the proven skills and capacity to undertake the assignment functions described in the previous sections. Some of the skills which will be required are:

- Experience in developing water requirement scenarios for all water sectors;
- Experience of water resources planning including hydrology, the determination of system yields and water savings, the conceptualization and costing of infrastructure and other proposed or potential interventions and the determination of URVs, the unit cost of water and the effect on tariffs of incorporating such new infrastructure into the System;
- Good understanding of how to undertake desktop assessments of the Reserve and to assess its effect on system yields;
- Experience in setting up and utilizing the Water Resource Yield Model (WRYM) and Water Resource Planning Model (WRPM);

**Table 2 : Generic guideline of deliverables for water resources assessment and reconciliation studies**

Item	Description
1.	Literature Review
2.	Inception Report
3.	Hydrology Analysis Report with Rainfall Data Analysis
3.1.	Systems analysis report – Water Resource Yield analysis, (WRYM) Water Resources Planning Analysis (WRPM), Water Resource Simulation Model (WRSIM), rainfall, stream flow data and stochastics.
3.2.	All model raw, input and output data and output files or all files for running the model i.e. rainfall, stream flow data, stochastics, maps and any other data.
4.	Land water use requirements Report
5.	Rainfall, Evaporation and Streamflow Report
6.	Climate Change Report
7.	Report on updated hydrology for the catchment including the groundwater contribution and its interaction with surface water
8.	Updated Water Requirements and Return Flows
9.	Water Quality Assessment Report
9.1.	Water Quality Modelling Report
9.2.	Groundwater Assessment and Utilisation Report
10.	Water Balance and Potential Augmentation Interventions Report
10.1.	Water Conservation And Water Demand Management Assessment Report
10.2.	Summary report on Current And Future Respective Water Supply System
11.	Scenario Analysis And Intervention Report
11.1.	Reserve Requirement Scenarios
11.2.	Socio-economic Impact Report
12.	Management and Development Options and Cost Alternatives Report
13.	Extent of Invasive Alien Plants and Removal Options
14.	a. Final New / Updated Reconciliation Strategy Report b. Sub strategies for surrounding towns as suggested in the study area Reported
14.1.	Preliminary Strategy Report
14.2.	International Obligations Report
15.	Water Supply Schemes Report
15.1.	Domestic
15.2.	Industrial sector
15.3.	Mining sector
15.4.	Irrigation sector
15.5.	Ecological Water Requirements
15.6.	Opportunities for Water Reuse
16.	Executive Summary: Reconciliation Strategy Report
17.	News Letter(s)
18.	Support to SWRP: Adhoc cost budget of R 1000 000

Item	Description
19.	Training Framework Report (guideline) 1. <i>Hydrology updating</i> 2. <i>Setting up water resources yield and planning models (WRYM and WRPM)</i> 3. <i>Determining Irrigation and Domestic Water Requirements</i> 4. <i>Water Balance, Water Availability and Use Reconciliation Model (using the DST)</i> 5. <i>Assessment of Water Losses</i>
19.1.	Training Report
19.2.	Report on site visits
20.	Study Management Meetings – reports and minutes
21.	Timesheet indicating Human Resources and professional fees billed per activity.
22.	Study Technical Support Group meetings - reports and minutes
23.	Study Steering Committee meetings - reports and minutes
24.	Stakeholder Workshops
25.	Quarterly progress reports and Annual Status Reports
26.	Professional study review reports
27.	Study Termination
27.1.	Close-out Report

All data developed or used in the study remains DWS intellectual property.

**NB.** All information (Reports and data sets) must be put on a well labeled or cover written hard disk or CD or DVD in pairs or with an identical copy of. Provision should be made for printing and binding of reports as well. It is the PSP's responsibility to ensure all activities listed in **section 5** are reflected in **Table 2**.

## 10.2 Summary of PSP Capacity and Capability

The Proposal must contain information about the capacity and capability of the study leader and other key personnel in the water resources planning domain. This information should include details of appropriate educational qualifications and previous involvement in water resources planning and similar studies. PSPs that do not have all the required in-house capacity, capability or specific technical or scientific expertise in any particular aspect of the assignment are free to form associations or joint ventures with other PSPs that would provide the necessary expertise. Associations with upcoming smaller companies are recommended in order to build capacity in the industry.

The Proposal documentation must provide details about the nature of such collaborations. The Study Leader must be specifically identified and the main responsibility structure to support him must be briefly presented. The Study Leader must be specifically identified and the main responsibility

structure to support him must be briefly presented. The capability and experience of the Study Leader in developing water requirement and availability reconciliation strategies will be especially important. Furthermore, the Study leader shall be a registered Professional Engineer (with ECSA or recognised institution according to the Washington Accord) or registered professional Scientist (SACNAPS).

### **10.3 Summary of Relevant Experience**

The Proposal must contain brief summaries of:

- Experience in planning, implementation and management of water resource development projects in Southern Africa;
- Experience in costing of water resources related developments and water conservation and water demand management measures;
- Experience of working in multi-disciplinary teams in the water resources domain;
- Experience of water resource-related work in typical catchments and river systems that represent the range of catchment conditions and complexities in South Africa;
- Experience in determining surface and groundwater Reserve determinations;
- Experience in using the WRYM and WRPM;
- Experience in water quality monitoring;
- Experience with incorporating potential climate change impacts in models;
- Understanding of the complexities of implementing desalination of re-use of water projects;
- Experience in groundwater well-field exploration, planning, development and setting up the required models for well-field management;
- Experience in administrative inputs to technical and strategic meetings and related water resource study management aspects;
- Ability to facilitate stakeholder meetings; and
- Ability to prepare informative newsletters, media releases, presentations and other required information material.

### **10.4 Capacity-Building and Participation of HDIs and HDEs**

#### **10.4.1 General**

The PSP being integrated into the Support Group will provide capacity building and training as stipulated in item 5.3.

PSPs are encouraged to subcontract a minimum of 30% of the work to at least one of the ENEs or QSEs which fall under regulation 4 (1c) of Gazette 10684, Preferential Procurement Regulation 2017. Furthermore, PSPs are encouraged to utilize Graduate Trainees in the Department of Water and Sanitation for actual billable tasks in the study as part of skills transfer and capacity building. The proposal documentation must provide clear details about the nature of such initiatives.

In the case of collaboration among different PSPs, the proposal shall be accompanied by a suitably worded letter from each participating firm, confirming their participation in the Association or Joint Venture, signed by a Principal of each participating firm.

### **10.5 Intellectual Property**

All deliverables and products produced for this assignment will be the sole property of the Department of Water and Sanitation. If anyone or the PSPs wishes to use them or apply them elsewhere they should do so only after receiving approval by the Department in writing.

## **11 ADMINISTRATIVE COMPLIANCE**

<b>No</b>	<b>Criteria</b>	<b>Yes</b>	<b>No</b>
1.	Companies must be registered with National Treasury's Central Supplier Database. Provide proof of print out from CSD.		
2.	Tax compliant with SARS (to be verified through CSD).		
3.	Complete, sign and submit SBD 1, SBD 3.3, SBD 4 and SBD 6.1		
4.	General Conditions of Contract (GCC)		
5.	Active registration with Company Intellectual Property Commission (to be verified through CSD and CIPC) Attach copy of CIPC/CIPRO Certificate		
6.	The service provider (and in the case of a consortium or joint venture – at least one member of such consortium or joint venture) should submit a notary agreement between the parties must clearly identify the lead partner (if applicable)		
7.	CERTIFICATE OF AUTHORITY FOR SIGNATORY (bidders to complete the relevant form.)		
8.	Copy of an Identity document of the authorised individual to represent the Service provider as per the CERTIFICATE OF AUTHORITY FOR SIGNATORY form		

## 12 EVALUATION SYSTEM

Department of Water and Sanitation will evaluate all proposals in terms of the Preferential Procurement Regulations 2022. A copy of the Preferential Procurement Regulations 2022 can be downloaded from [www.treasury.gov.za](http://www.treasury.gov.za). In accordance with the Preferential Procurement Regulations 2022, submissions will be adjudicated on 80/20 points system and the evaluation criteria. A three phase evaluation criteria will be considered in evaluating the bid. On the receipt of the proposals, the evaluation criteria shown below will be used for the selection of the most suitable bidder to undertake the assignment.

**Phase 1: Mandatory Compliance** (if not complied with, bid will be disqualified)

**Phase 2: Functional / Technical Evaluation**

**Phase 3: Points awarded for Price and Specific Goal (80/20 Preferential System)**

### 12.1 PHASE 1: MANDATORY COMPLIANCE:

Please note that all bidders must comply with the following mandatory requirements-

Failure to submit any of the documents listed below will render your bid non-responsive and will be disqualified.

**Yes - list the relevant documents required on the table below**

No	Criteria	Yes	No
1.	Attach Study Leader's Copy of Registration Certificate for Study leader with (ECSA or recognised institution according to the Washington Accord) or registered professional Scientist (SACNASP). Indicating the registration status as active in the Council.		

### 12.2 PHASE 2: FUNCTIONALITY (TECHNICAL) EVALUATION:

The 80/20 point system will be used in evaluating all proposals. The criteria and guideline weighting points applicable are detailed in the following paragraphs.

Values: 0 Very Poor... 1 Poor...2 Average...3 Good... 4 Very good .... 5 Excellent

**Table 5: Functionality**

Criteria		Points value	Weighting Points Awarded
Functionality	<b>Past Company Experience</b> in Integrated Water Resource Planning and management studies.		10
	Above 10 years	5	
	Above 6 to 10 years	4	
	Above 4 to 6 years	3	
	Above 2 to 4 years	2	
	1 to 2 years	1	
	Less than 1 year	0	
	<b>Methodology:</b>		10
	<ul style="list-style-type: none"> <li>Compliance with ToR;</li> <li>Detailed and relevant method statement for each task within the study area;</li> <li>Inclusion of study team organogram that clearly shows the roles of the study team members and the hierarchy.</li> <li>Detailed programme showing clear sequence and time allocation and</li> <li>Innovations in response to the ToR</li> </ul>		
	All 5 items addressed	5	
	4 items addressed	4	
	3 items addressed	3	
	2 items addressed	2	
	1 item addressed	1	
	No item above addressed	0	
	<b>Team Capability:</b>		
	All personnel in the evaluation table to attached abridged CVs maximum 10 pages (any content beyond 10 pages will not be included in the assessment).		
	<b>The Study Leader</b> should have relevant experience in similar studies with specialisation in the water resource planning or management field and integration with water requirements/ water availability and water quality		10
	With more than 10 years' experience	5	
	With above 8 to 10 years' experience	4	
	With above 6 to 8 years' experience	3	
	With above 4 to 6 years' experience	2	
	With above 2 to 4 years' experience	1	
	With less than 2 years' experience	0	

Criteria		Points value	Weighting Points Awarded
	The <b>Deputy Study Leader</b> should have relevant experience in similar projects with specialisation in the water resource planning or management field.		5
	With more than 10 years' experience	5	5
	With above 8 to 10 years' experience	4	
	With above 6 to 8 years' experience	3	
	With above 4 to 6 years' experience	2	
	With above 2 to 4 years' experience	1	
	With less than 2 years' experience	0	
	<b>Water Resources Task Lead:</b>		8
	With more than 10 years' experience.	5	
	With above 8 to 10 years' experience	4	
	With above 6 to 8 years' experience	3	
	With above 4 to 6 years' experience	2	
	With above 2 to 4 years' experience	1	
	With less than 2 years' experience	0	
	<b>Water quality Task Lead:</b>		8
	With more than 10 years' experience	5	
	With above 8 to 10 years' experience	4	
	With above 6 to 8 years' experience	3	
	With above 4 to 6 years' experience	2	
	With above 2 to 4 years' experience	1	
	With less than 2 years' experience	0	
	<b>Water Conservation and Water Demand Management Expert:</b>		7
	With more than 10 years' experience	5	
	With above 8 to 10 years' experience	4	
	With above 6 to 8 years' experience	3	
	With above 4 to 6 years' experience	2	
	With above 2 to 4 years' experience	1	
	With less than 2 years' experience	0	
	<b>Infrastructure and Interventions Task Lead:</b>		8
	With more than 10 years' experience	5	
	With above 8 to 10 years' experience	4	
	With above 6 to 8 years' experience	3	
	With above 4 to 6 years' experience	2	
	With above 2 to 4 years' experience	1	
	With less than 2 years' experience	0	

Criteria		Points value	Weighting Points Awarded
	<b>Groundwater Task Lead:</b>		8
	With more than 10 years' experience	5	
	With above 4 to 5 years' experience	4	
	With above 3 to 4 years' experience	3	
	With above 2 to 3 years' experience	2	
	With above 1 to 2 years' experience	1	
	With less than 1 years' experience	0	
	<b>Socio-Economics Task Lead:</b>		7
	With more than 10 years' experience	5	
	With above 8 to 10 years' experience	4	
	With above 6 to 8 years' experience	3	
	With above 4 to 6 years' experience	2	
	With above 2 to 4 years' experience	1	
	With less than 2 years' experience	0	
	<b>Water Requirements and Return Flows Task Lead:</b>		7
	With more than 10 years' experience	5	
	With above 8 to 10 years' experience	4	
	With above 6 to 8 years' experience	3	
	With above 4 to 6 years' experience	2	
	With above 2 to 4 years' experience	1	
	With less than 2 years' experience	0	
	<b>Stakeholder engagement Task Lead:</b>		7
	With more than 10 years' experience	5	
	With above 8 to 10 years' experience	4	
	With above 6 to 8 years' experience	3	
	With above 4 to 6 years' experience	2	
	With above 2 to 4 years' experience	1	
	With less than 2 years' experience	0	
	<b>Capacity building and training:</b> Provide clear proposals on Capacity building and training DWS officials and identified stakeholders (maximum of 20 people for in person attendance) in technical aspects to be undertaken as part of this Study.		5
	Shows innovation in ensuring successful transfer of skills to DWS staff	5	
	Provides detailed methodology of training and capacity building.	4	
	Provides some methodology but not all aspects	3	

Criteria		Points value	Weighting Points Awarded
	Training in a workshop format only including WRPM	2	
	Training in a workshop format only excluding WRPM	1	
	No proposal on training and capacity building included	0	
<b>Total</b>			<b>100</b>

This study is highly technical, which will also include application of sophisticated models such as the Water Resources Yield Model and the Water Resources Planning Model. In order to demonstrate its ability to undertake this study successfully the bidder is required to offer a high degree of technical expertise and capability and present technically excellent study methodology.

For the above reason a bidder is expected to achieve a minimum threshold/required score for **Functionality** (Past Experience, Methodology, Team capability and Capacity Building and Training) of 70 (%) points, in order to qualify for further evaluation. Only bidders who obtained at least 70% under the Functionality (Technical) Evaluation will be considered for further evaluation. Further evaluation is based on **Price and Preference** after the minimum score has been achieved by the bidder.

### 12.3 PHASE 3: The 80/20 Principle based on Price and Specific Goals:

The 80/20 Preferential Procurement System will be used in evaluating these bids:

Evaluation element	Weighting (Points)
<b>SPECIFIC GOALS</b>	<b>20</b>
<b>PRICE</b>	<b>80</b>
<b>Total</b>	<b>100</b>

#### Price

A maximum of 80 points are allocated for price on the following basis:

$$P_s = 80 \left( 1 - \frac{P_t - P_{\min}}{P_{\min}} \right)$$

Where:

$P_s$  = Points scored for comparative price of bid under consideration

$P_t$  = Comparative price of bid under consideration

$P_{min}$  = Comparative price of lowest acceptable bid

#### Preference point system

SPECIFIC GOALS	NUMBER OF POINTS TO BE ALLOCATED
Women	5
People with disability	5
Youth (35 and below)	5
Location of enterprise (Province)	2
B-BBEE status level contributors from level 1 to 2 which are QSE or EME	3
<b>Total points for SPECIFIC GOALS</b>	<b>20</b>

#### Documents Required for verification of Points allocation:

Procurement Requirement	Required Proof Documents
Women	Full CSD Report
Disability	Full CSD Report
Youth	Full CSD Report
Location	Full CSD Report
B-BBEE status level contributors from level 1 to 2 which are QSE or EME	Valid BBBEE certificate/sworn affidavit Consolidated BEE certificate in cases of Joint Venture Full CSD Report

The definition and measurement of the goals above is as follows:

Women, disability, and youth:

This will be measured by calculating the pro-rata percentage of ownership of the bidding company which meets this criterion. E.g., Company A has five shareholders each of whom own 20% of the company. Three of the five shareholders meet the criterion, i.e. they are women/disability/youth. Therefore, this bidder will obtain 60% of the points allowable for this goal.

Location of enterprise

Local equals province. Where a project cuts across more than one province, the bidder may be located in any of the relevant provinces to obtain the points.

B-BBEE status level contributors from level 1 to 2 which are QSE or EME

Measured in terms of normal BBBEE requirements.

Note: Formula for calculating points for specific goals

Preference points for entities are calculated on their percentage shareholding in a business, provided that they are actively involved in and exercise control over the enterprise. The following formula is prescribed:

$$PC = Mpa \times \frac{P_{-own}}{100}$$

Where

PC= Points awarded for specific goal

Mpa= The maximum number of points awarded for ownership in that specific category

**P-own = The percentage of equity ownership by the enterprise or business**

Bidders must submit their original and valid **B-BBEE status level verification certificate** or a certified copy thereof, substantiating their B-BBEE rating issued by a Registered Auditor approved by IRBA or a Verification Agency accredited by SANAS.

Scores obtained for Price and B-BBEE Status Level are combined to obtain an overall score for each bid. The Functionality score is not factored in the final score, it is only used for screening bids that qualify from those that do not qualify to enter the last stage of evaluation.

### **Special Conditions:**

- Bidders are requested to provide a clear agreement regarding joint venture/consortia. The percentage involvement of each company in the joint venture agreement should be indicated.
- The department reserves the right to engage with the successful service provider to negotiate the prices as submitted. If it is envisaged that negotiations will be conducted only with the successful supplier, the negotiations will be based on a best estimate of the cost of the works.
- It is advisable that the study team be firm and consistent for the duration of the contract. Should there be a need to change or replace principal study team members, such changes should be communicated to DWS for approval prior to any changes being effected. Any replacement should hold the same qualifications and experience or better of the replaced officials.
- Upon appointment, Bidders must comply with Unemployment Insurance Fund (UIF). The Department will periodically check the compliance and failure of which may result in termination of the contract.
- Bidders must also provide a valid Letter of good standing with the Compensation Commissioner in terms of the Compensation for Occupational Injuries and Diseases Act 130 of 1993 within 21 days of receiving an award letter.
- The department reserves the right to engage with the successful service provider to negotiate the prices as submitted. If it is envisaged that negotiations will be conducted only with the successful supplier, the negotiations will be based on a best estimate of the cost of the works.
- Bidders are required to ensure that their Central Supplier Database (CSD) profiles are up to date and accurately reflect the status of their current B-BBEE certificate or sworn affidavit. The Department relies on the CSD report as the official source for verifying claims related to B-BBEE status, including ownership by Women, Youth, and Persons with Disabilities. Therefore, bidders must ensure that the B-BBEE information on their CSD profile is marked as “active” and not “expired.”

## **13 ARRANGEMENTS FOR SUBMISSIONS OF PROPOSALS**

### **13.1 Format of Proposal Documentation and Contact Persons**

Bidders are required to submit both technical and financial proposal on e portal. Enquiries about any aspect of this Proposal invitation can be obtained from the following person:

<b>For technical matters</b>
