### **Western Cape Process Controllers awarded with certificates of excellence**

04 December 2019

Process controllers of the Municipalities in the Western Cape were given recognition at an Awards Ceremony hosted by the Department of Water and Sanitation in partnership with Water Institute of Southern Africa recently.

The annual Awards Ceremony is held to acknowledge the commendable work done by process controllers and their respective municipalities to ensure provision of safe drinking water and protection of water resources.

During this year's ceremony, 13 candidates from Waste Water Treatment Works in various municipalities were nominated based on the criterion that has been established by the DWS Water Services Regulation unit.

The following 1<sup>st</sup> position winners were presented with awards in the following categories:

1. Best Water Care Works Laboratory (on-site operational monitoring)- Wellington laboratory, Drakenstein Municipality
2. Best Internal Laboratory (operational and compliance monitoring)- Breede Valley Laboratory, Breede Valley Municipality
3. Best Water Treatment Works <10ml/day- Friemersheim WWTW, Mossel Bay Municipality
4. Best Water Treatment Works >10ml/day- Wemmershoek Water Scheme, City of Cape Town Municipality
5. Best Wastewater Pond System- Herolds Bay WWTW, George Municipality
