REPLY:

- (a) The costs will be appearing in the Financial Statements on page 245, Note 32.1 Additions: Machinery and Equipment: Transport Assets.
- (b) In terms of our records only the Minister has purchased a vehicle since January 2012 as a result of the previous vehicle she inherited from the former Minister Sonjica who left Ministry on 2008 having reached the allowed 5 years as per the Ministerial Handbook.

I had several breakdowns to an extent that I had to give up my garment (stockings) to fix the car fan belt. This information is shared for purposes of the difficult times we undergo as Ministers at times.

- (c) The item in question is normally reported in the Annual report, under Note 32.1 Additions: Machinery and Equipment: Transport Assets. The note covers all the activities regarding transport assets in general.
