QUESTION NO 872

DATE OF PUBLICATION IN INTERNAL QUESTION PAPER: 3 May 2013
(INTERNAL QUESTION PAPER NO. 14)

872. Mrs M Wenger (DA) to ask the Minister of Water and Environmental Affairs:

What are the outcomes of the disciplinary hearings of two persons (names furnished)?
NW1091E

---o00o---

REPLY:

- (1) Disciplinary hearing relating to the first named person is still in process. The person appeared at the disciplinary enquiry on 30 April 2013 and requested a postponement also requesting to have a legal representative. The chairperson postponed till 22 May 2013.
- (2) With regard to the second person named the matter was long concluded. The Arbitrator ruled that she is guilty of misconduct and should not be re-instated but rather be paid compensation amounting to the balance of her contract period. She was paid 2 months ago and therefore the Yako matter is concluded.
