**REPLY:**

- (a) My Department (the Department of Water and Sanitation) has to regulate how water supply and sanitation services are provided by the municipality and/or its entities.
- (b) Johannesburg Water is a municipal entity and a Water Services Provider to the City of Johannesburg and; it is mandated to provide quality water and dignified sanitation services to the City of Johannesburg residents.
- (c) My Department sets minimum levels of water and sanitation services, and monitors the performance of both the City of Johannesburg as the Water Services Authority, as well as the Johannesburg Water as the Water Services Provider.
