**MINISTER OF HUMAN SETTLEMENTS, WATER AND SANITATION**

- (1) The Department of Water and Sanitation has advised me that it does not have direct contractual obligations with the company referred to by the Honourable Member. However, the Amatole District Municipality; which has been funded by the department through the Regional Bulk Infrastructure Grant (RBIG) & Water Services Infrastructure Grant (WSIG) for Water Infrastructure and Sanitation Projects; is the Water Service Authority that engaged the services of the company.

(2)&(3) I will look into the matter now that it has been brought my attention.
