**MINISTER OF WATER AND SANITATION**

The Department of Water and Sanitation has allocated R15 million, through Water Services Infrastructure Grant (WSIG), for the Makolokwe Water Supply Project. This project is intended to connect to the water supply pipeline from Glencor Mines, which is still under negotiation.

The design of the pipeline and connection is completed, and tender document is ready for the construction. The anticipate commencement of construction is May 2022, the projected completion date is August 2022.
