

# WAYFORWARD AND VOTE OF THANKS

NMMP

6-7 JULY 2004

# A REFLECTION ON OBJECTIVES

1. Role of NMMP re-emphasised (...challenges...)
2. Formalize **co-operative governance** (DoH/DWAF = MoU), including sharing of resources with Water Boards (2004/5) and other WMI
3. Set up a representative broad based **steering committee** (2004/5)
4. Produce a **business plan**, addressing key issues, such as risk management, resource requirements (including capacity), cost – benefit, etc (2004/5)
5. **Expand NMMP**, and cooperatively create **awareness** (e.g.target schools with illustrative/reader friendly pamphlets)

A QUICK LOOK AT THE BIG PICTURE  
“THE 5 YEAR STRATEGIC MONITORING  
INTERVENTION PLAN FOR SA”

The goal: Cost effective and efficient  
information monitoring services
