# **Rainwater Harvesting**

Presentation by Bryan Ashe  
GeaSphere KZN  
For the  
Reconciliation Steering Committee

# Challenges To RHW

- DWS Model By Laws (2005)
- Perceived cost
- Municipalities see this as a revenue loss

# Future RWH Water

For KZN Coastal

Mandatory for all new developments

Shopping Malls

Housing developments

Incentives for Retrofitting for IWRM Purposes

For high rainfall areas

We need a new consultative process and a  
campaign for RWH in South Africa

# Thank You

Bryan Ashe
