

Development of Reconciliation Strategy for Luvuvhu & Letaba Water Supply System
Study Steering Committee Meeting No 5

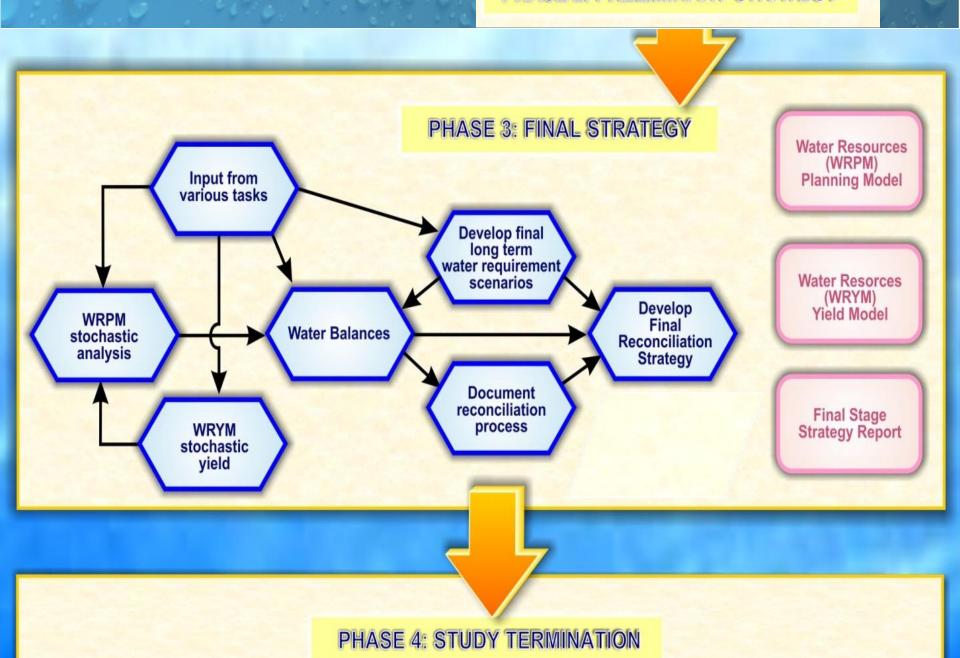

20 June 2014

Overview on Progress with Study Tasks (Item 8.1)

PHASE 2: PRELIMINARY STRATEGY

Water requirements and Return Flow Report(Also include a section on the International obligations) 4 Rainfall analysis report 5 Hydrology report (includes IAP) 6 Water Conservation and Water Demand Management Report 7 Water re-use report 8 Water Quality Assessment Report 9 Groundwater utilization scenarios 10 Draft 10 Preliminary Reconciliation Strategy (or first stage) Report 11 Executive Summary of Preliminary Reconciliation Strategy Report 12 Yield Analysis Report (Includes IAP & EWR) 13 Planning Analysis Report 14 Water Supply Schemes Report & Social +Envir Aspects) 15 Final Reconciliation Strategy reconciliation 17b Report	1	Inception Report	0	Final
on the International obligations) Praft Rainfall analysis report Hydrology report (includes IAP) Water Conservation and Water Demand Management Report Water re-use report Water Quality Assessment Report Groundwater utilization scenarios Preliminary Reconciliation Strategy (or first stage) Report Executive Summary of Preliminary Reconciliation Strategy Report Yield Analysis Report Water Supply Schemes Report & Social +Envir Aspects) Final Reconciliation Executive Summary of Final Reconciliation Strategy Report Executive Summary of Final Reconciliation Strategy Report Final Reconciliation Strategy Report Executive Summary of Final Reconciliation Strategy Report Tob	2	Literature Review Report	1	Final
Hydrology report (includes IAP) Hydrology report (includes IAP) Water Conservation and Water Demand Management Report Water re-use report Mater Quality Assessment Report Groundwater utilization scenarios Preliminary Reconciliation Strategy (or first stage) Report Recoutive Summary of Preliminary Reconciliation Strategy Report Yield Analysis Report (Includes IAP & EWR) Planning Analysis Report Water Supply Schemes Report & Social +Envir Aspects) Final Reconciliation Strategy reconciliation Strategy Report Executive Summary of Final Reconciliation Strategy reconciliation Report	3		4 & 11 & 22	
6 Water Conservation and Water Demand Management Report 7 Water re-use report 8 Water Quality Assessment Report 9 Groundwater utilization scenarios 10 Draft 10 Preliminary Reconciliation Strategy (or first stage) Report 11 Executive Summary of Preliminary Reconciliation Strategy Report 12 Yield Analysis Report (Includes IAP & EWR) 13 Planning Analysis Report 14 Water Supply Schemes Report & Social +Envir Aspects) 15 Final Reconciliation Strategy reconciliation strategy Report 16 Executive Summary of Final Reconciliation Strategy reconciliation Report 17b 17c	4	Rainfall analysis report	3	Final Draft
7 Water re-use report 6 Final 8 Water Quality Assessment Report 8 & 3 Final 9 Groundwater utilization scenarios 10 Draft 10 Preliminary Reconciliation Strategy (or first stage) Report 17a Internal Draft 11 Executive Summary of Preliminary Reconciliation Strategy Report 17a 12 Yield Analysis Report (Includes IAP & EWR) 12 & 9 In process 13 Planning Analysis Report 4 Water Supply Schemes Report &Social +Envir Aspects) 15& 16 In process 15 Final Reconciliation Strategy reconciliation strategy Report 17b 16 Executive Summary of Final Reconciliation Strategy reconciliation Report 17b	5	Hydrology report (includes IAP)	3 & 7 & 22	Draft
8 Water Quality Assessment Report 9 Groundwater utilization scenarios 10 Draft 10 Preliminary Reconciliation Strategy (or first stage) Report 11 Executive Summary of Preliminary Reconciliation Strategy Report 12 Yield Analysis Report (Includes IAP & EWR) 13 Planning Analysis Report 14 Water Supply Schemes Report & Social +Envir Aspects) 15 Final Reconciliation Strategy reconciliation strategy Report 16 Executive Summary of Final Reconciliation Strategy reconciliation Report 10 Draft 17a Internal Draft 17a	6	Water Conservation and Water Demand Management Report	5	Final
9 Groundwater utilization scenarios 10 Draft 10 Preliminary Reconciliation Strategy (or first stage) Report 11 Executive Summary of Preliminary Reconciliation Strategy Report 12 Yield Analysis Report (Includes IAP & EWR) 13 Planning Analysis Report 14 Water Supply Schemes Report &Social +Envir Aspects) 15 Final Reconciliation Strategy reconciliation strategy Report 16 Executive Summary of Final Reconciliation Strategy reconciliation Report 10 Draft 110 Draft 111	7	Water re-use report	6	Final
10 Preliminary Reconciliation Strategy (or first stage) Report 11 Executive Summary of Preliminary Reconciliation Strategy Report 12 Yield Analysis Report (Includes IAP & EWR) 13 Planning Analysis Report 14 Water Supply Schemes Report & Social +Envir Aspects) 15 Final Reconciliation Strategy reconciliation strategy Report 16 Executive Summary of Final Reconciliation Strategy reconciliation Report 17a Internal Draft 17a 17a 17a 17a 17a 17a 17a 17	8	Water Quality Assessment Report	8 & 3	Final
11 Executive Summary of Preliminary Reconciliation Strategy Report 12 Yield Analysis Report (Includes IAP & EWR) 13 Planning Analysis Report 14 Water Supply Schemes Report &Social +Envir Aspects) 15 Final Reconciliation Strategy reconciliation strategy Report 16 Executive Summary of Final Reconciliation Strategy reconciliation 17b 17c 17d 17d 17d 17d 17d	9	Groundwater utilization scenarios	10	Draft
12 Yield Analysis Report (Includes IAP & EWR) 13 Planning Analysis Report 14 Water Supply Schemes Report &Social +Envir Aspects) 15 Final Reconciliation Strategy reconciliation strategy Report 16 Executive Summary of Final Reconciliation Strategy reconciliation 17b 17b	10	Preliminary Reconciliation Strategy (or first stage) Report	17a	
13 Planning Analysis Report 14 Water Supply Schemes Report &Social +Envir Aspects) 15 Final Reconciliation Strategy reconciliation strategy Report 16 Executive Summary of Final Reconciliation Strategy reconciliation 17b 17b	11	Executive Summary of Preliminary Reconciliation Strategy Report	17a	
14 Water Supply Schemes Report &Social +Envir Aspects) 15 Final Reconciliation Strategy reconciliation strategy Report 16 Executive Summary of Final Reconciliation Strategy reconciliation 17b 17b	12	Yield Analysis Report (Includes IAP & EWR)	12 & 9	In process
15 Final Reconciliation Strategy reconciliation strategy Report 16 Executive Summary of Final Reconciliation Strategy reconciliation Report 17b 17b	13	Planning Analysis Report	14	
16 Executive Summary of Final Reconciliation Strategy reconciliation Report 17b	14	Water Supply Schemes Report &Social +Envir Aspects)	15& 16	In process
Report	15	Final Reconciliation Strategy reconciliation strategy Report	17b	
17 Demographic and Economic Development Potential 4 Final	16		17b	
	17	Demographic and Economic Development Potential	4	Final

Note: Final reports all available on study Web site

Task Progress (1 of 4)

Inception Report & Summary of Previous and Current S	Studies(1)
Preliminary Screening Workshop	(2)
Hydrological Analysis	(3)
Water Requirements and Return Flows	(4)
Water Conservation / Demand Management	(5)

Task Progress (2 of 4)

	(0.0.0)
Water Re-use & Water Quality	(6 & 8)
Invasive Alien Plants	(7)
Reserve Requirement and Scenario Analysi	s (9)
Ground Water	(10)
Honouring International Obligations	(11)
Yield Analysis	(12)

Task Progress (3 of 4)

Task Progress (4 of 4)

Final Sevening Workshop	(4.0)
Final Screening Workshop	(18)
Steering Committee & Public Participation	(19)
Study Management	(20)
Study Termination	(21)
Determine Water Use	(22)

Thank You
