The amended plan of study for the environmental impact assessment (POSEIA) dated March 2010 for environmental authorisation of the abovementioned project refers.

The Department has evaluated the amended POSEIA and is satisfied that the amended POSEIA complies with the legal requirements. The Department hereby approves the amended POSEIA. The approved amended POSEIA must be appended to the Environmental Impact Assessment Report (EIAR) to give the IAPs the opportunity to contextualise the POSEIA with the contents of the EIAR.
