Re: Proposed establishment of a Pipeline at the Mokolo and Crocodile river or De-bottlenecking.

Applicant: Wateraffairs/ NEMA CONSULTING

HIA Consultant/s:

1. We refer to the application letter and subsequent report for the above mentioned project/s
2. The Limpopo Heritage Resources Authority also known as LIHRA made the following remarks in light of the findings by the specialist, that the development may proceed as planned.
3. After a considerable look into all facts of heritage management interests, the LIHRA established no facts to challenge the proposed development.
4. However, we advise that should you during the construction phase happens to uncover items of historical significance the LIHRA must be informed.
5. We trust that you will find the above matters in order
