**PROJECT TITLE:**

Proposed Mokolo Crocodile (West) Water Augmentation Project Phase 2: Water Transfer Infrastructure & Bulk Power Supply.

Water demand will increase in the Lephalale area due to various planned and anticipated developments associated with the Waterberg coalfields. The Department of Water and Sanitation (DWS) commissioned the Mokolo Crocodile (West) Water Augmentation Project (MCWAP) Feasibility Study to investigate the options for meeting the aforementioned water requirements.

**MCWAP Phase 2 entails a transfer scheme from the Crocodile River (West) at Vileepoort near Thabazimbi to the Lephalale area (Limpopo Province) via a system consisting of:**

- Weir and abstraction infrastructure, including a balancing reservoir, desilting works, and a high lift pump station at Vileepoort (near Thabazimbi);
- Transfer system (approximately 100 km);
- Break Pressure Reservoir;
- Operational Reservoir; and
- Delivery system, consisting of a gravity pipeline (approximately 30km) running from the Operational Reservoir to the Steenbokpan area.

**The proposed bulk power supply to the site will consist of the following infrastructure (near Thabazimbi):**

- Two 132kV power lines running in parallel (approximately 4 km each); and
- A substation with a footprint of approximately 100 m x 100m.

**APPLICATION FOR ENVIRONMENTAL AUTHORISATIONS:**

Nemal Consulting was appointed by DWS to conduct the EIA for the project in terms of Government Notice No. R. 982 of 4 December 2014. In addition, approval will also be sought for water uses associated with the project in terms of Section 21 of the National Water Act (Act No. 36 of 1998).

# Limpopo province shone

The Limpopo leg of the National Tooling Initiative Programme (NTIP) awards that took place at Mokopane on Tuesday 10 May have put Limpopo Province on the map as a province that excels within the tooling and manufacturing sector.

The Awards ceremony forms a partnership between NTIP and the Limpopo Department

of Economic Development and Tourism (Ledet) to honour the 37 students who completed the Foundation phase of the Tool, Die and Mould Making (TDM) qualification for Steelport and Lephalale students, a qualification offered by NTIP and certified by the Toolmaking Association of South Africa (TASA).

The top three students are also awarded for performing exceptionally well nationally in their theoretical and practical work, out of the three students the 2nd position was awarded to Ms. Portia Nkadimeng from Lephalale and the 1st position was awarded to Mr. Ocean Seghabe from Steelport making the Limpopo province shine with two of the overall national winners coming from the province. The awards were attended by the CEO of the National Tooling Initiative Programme, Mr. Dirk Van Dyk, the Campus Manager of Lephalale TVET College Ms. Rina van Jaarsveld and Ledet officials, led by Mr. John Motimele, Acting Director of Sector Development, proving that the partnership between the NTIP and the Limpopo province is yielding results in the lives of these young and aspiring toolmakers.

## Efforts paying off

South Africa's Integrated Strategic Management of Rhinoceros is starting to bear fruit, with a recent report showing that the country has turned the tide on rhino poaching.

Acing Minister in The Presidency for Planning, Monitoring and Evaluation, Nosiwe Mapisa-Nqakula, said Cabinet has welcomed the feedback on the Integrated Strategic Management of Rhinoceros, which Environmental Affairs Minister Edna Molewa tabled on Sunday 8 May.

Since the beginning of this year alone, 206 alleged poachers have been arrested.

Between April 2015 and March 2016, there were 49 finalised cases involving 103 accused. Eighty of the accused were convicted, resulting in a conviction rate of 78%.

The Integrated Strategic Management Approach was adopted by Cabinet in August 2014, which saw the Security Cluster implementing a multi-disciplinary, multi-sectoral intervention to protect rhino in South Africa.

## Skitterende Skemertak

LEPHALALE — Die VLU se Skemertak het skitterende prestasies behaal by die onlangse VLU Noordkongres te Modimolle.

Die tak is besonder trots op Tharina Rossel, wat einde verlede jaar verkies is tot SAVLU-president. Sy het die amptelike opening van die kongres waargeneem. Nadat sy VLU Noord gelukkigheds het met hul 21ste verjaarsdag, het sy verduidelik dat die tema, "Werk saam aan 'n beter toekoms", ook die tema is van die Wêreldbond van Plattelandse Vroue en dat meer as 10 miljoen vroue oor sewe kontinente saam hieraan werk. "Geen organisasie is ooit suksesvol sonder samewerking nie. Lede word saamgesnoer deur 'n gesamenlike doel. Elkeen het sy plek en sy besondere taak en is daarom nodig. Vergoet van persoonlike botsings en onmin. Niemand is groter as die organisasie nie," sê sy. Sy herinner lede aan die VLU-gebed wat sê: "Dis die klein dingetjies wat verdeel." Sy glo dat swak kommunikasie lei tot misverstande.

Tharina glo dat dit juis nou die tyd is vir samewerking in Suid-Afrika om 'n positiewe toekoms te kan ingaan. Jong lede is die organisasie se toekoms.

Tharina, Delmarie van Zyl, Susanna Eckard en Eliana Greyling was almal geïnspireer deur die gasspreker, Lynette Behr, 'n kookkuns-demonstrasie deur Heleen Meyer, inspirasie van die Persoonlikheid van die Jaar, Surita Steenkamp, Kunstenaar van die Jaar, dr. Mich Veldman, asook Skrywer van die Jaar, Keina Swart. "Ons is vol moed en nuwe krag vir die jaar wat voorlê om ons tak tot die hoogste hoogtes en veral die lekkerste lekkertes te neem," sê Eliana Greyling.
