RE: Proposed Ncwabeni Off-Channel Storage Dam: Declaration by Invertebrate Specialist

Dear Mr Henning

This serves to declare the following with regards to the abovementioned project:

1. That we acted as an independent specialist and that we satisfy the requirements stipulated in regulation 17 of Government Notice (GN) No. R543;
2. That the summary of the findings and recommendations from our specialist report that was included in the Environmental Impact Assessment Report, in accordance with regulation 31(2)(j) of Government Notice No. R543, is accurate and a true reflection of our study; and
3. That our reports comply with regulation 32(3) of Government Notice No. R543.

Kind regards
