COMMUNITY ENGAGEMENT IN LETLHABILE

21 MARCH 2015: *The issues relating to water services delivery in the Madibeng District Municipality continue to receive due attention from government. Even as the government works towards resolving all challenges related to this service delivery, there is a great sense of co-operation between the three spheres of government, as well as the implementing agent.*

There will be a follow up community meeting at the Letlhabile Stadium on Sunday to ensure that as work continues, the community is taken into confidence and duly informed of all processes and progress towards the ideal.

In this regard, the government will be led by the MEC for Local Government and Human Settlements, the leadership of Madibeng District Municipality, the leadership and officials of the Department of Water and Sanitation from Head Office and the NW Provincial Office, and representatives of Magalies Water as the implementing agent.

The community meeting will be as follows:

Date: 22 March 2015
Venue: Letlhabile Stadium
Time: 10h00

All media are invited.
