MEDIA ADVISORY

Public Consultations on Climate Change & Hydropower Generation

19 September 2016

The Department of Water and Sanitation (DWS) has developed a new policy on Climate Change and another on sustainable hydropower generation. The two policies have been gazetted and are open for public comments and inputs.

In the Northern Cape, the public consultation workshop will be held as follows:

Date : 20 September 2016
Venue : DWS Kimberley Office in Beaconsfield
Time : 10:00

Based on this we are kindly requesting an opportunity for an interview to provide more insight on these two crucial policies and their roles in dealing with future unfavourable climatic conditions, as well as strengthening the water-energy nexus.
