ENGAGEMENT IN WATER BOARDS			
Overberg Water Board	06-08 March 2024	Youth Development, Provincial Office, Rand Water, WRC, Lepelle Northern Water and Umngeni-Tukela Water	Done, the task team has been engaged the water board on formulation of their Young Water Professionals structure which will form part of implementing the South African Water and Sanitation Youth Network.
Magalies Water	29 February 2024	Youth Development, Provincial Office Rand Water, WRC and Lepelle Northern Water	Done, the task team has been engaged the water board on formulation of their Young Water Professionals structure which will form part of implementing the South African Water and Sanitation Youth Network.
Vaal Central Water	20 February 2024	Youth Development, Provincial Office, Vaal Central Water, WRC, Umngeni-	Not done, the water board was not engaged as the delay came from the merging of Sedibeng water and Bloem water. The process is now finalized, and a new date must be identified for the appointed task team to assist them in developing Young Water Professionals structure which will

		Uthukela Water Board and Lepelle Northern Water	form part of implementing the South African Water and Sanitation Youth Network.
Amatola Water	21-22 March 2024	Youth Development, Provincial Office, Rand Water, WRC, Umngeni-Uthukela Water, Lepelle Northern Water	The task team engaged the water board twice, last financial year and the current financial year. There is no buy in from management nor support in approving the development of their Young Water Professionals structure, which makes it difficult for young professionals to participate in the South African Water and Sanitation Youth Network and other related youth programmes within the sector. DWS management to intervene with Amatole Water Board management.
