LONDHINDHA PRIMARY – A RURAL SCHOOL - WINS A MEDIA CENTRE

30 June 2016

Londhindha Primary School from the rural Bushbuckridge Local Municipality won a media centre and R6000 in cash by scooping the first prize in the poetry category of the Baswa Le Meetse National Competition held in the Eastern Cape on 28 June 2016. The three active learners from the rural school beat other learners from the other eight provinces to take home the coveted prize. They also got a coveted trophy and certificate for their efforts.

Londhindha Primary School was one of the provincial schools that represented the Mpumalanga Province by showcasing their artistic skills and competed against other winning schools from the other eight provinces.

Londhindha was one the schools that represented the province in the five categories of the Baswa Le Meetse national completion. The other schools that represented the province were Refithile Primary school from Dr JS Moroka Local Municipality in the drama category, and Mvuyazi Primary from Bushbuckridge Local Municipality in the poster category. Somcuba Primary School from Mbombela Local Municipality represented the province in both the traditional music and praise poetry categories.

To show the vast talent in the Bushbuckridge Local Municipality, Mvuyazi Primary School took home a R4000 cash prize for coming third in the poster category.

The Baswa Le Meetse and other competitions under the 2020 Vision play a major role in creating awareness on the importance of water and sanitation amongst the learners and youth of the country. The programme also helps to create a mass pool of water ambassadors ensuring that the little available water in our water scarce country is used in an efficient, conservative and beneficial way for the benefit of current and future generations.
