

## water & sanitation

Department:  
Water and Sanitation  
REPUBLIC OF SOUTH AFRICA

### DEPARTMENT OF WATER AND SANITATION

CLOSING DATE: 26 August 2022 16:00

Note: The successful candidate's appointment will be subject to a security clearance process and the verification of educational qualification certificates. Applications must quote the relevant reference number and must be completed on the NEW Z83 form obtainable from any Public Service department and signed when submitted. Should an application be received using the incorrect application for employment (Z83), the application will not be considered. All applications must be accompanied by a comprehensive CV, copies of qualifications, Identity document and driver's license. Such copies need not be certified. Shortlisted candidates will be required to submit certified copies a day before the interview date. Persons with a disability are encouraged to apply. It is the applicant's responsibility to have foreign qualifications evaluated by the South African Qualifications Authority (SAQA) and to provide proof of such evaluation. Incomplete applications or applications received after the closing date will not be considered. It is important to note that it is the applicant's responsibility to ensure that all information and attachments in support of the application are submitted by the due date. Due to the large number of responses anticipated, correspondence will be limited to short-listed candidates only. If you have not been contacted within three months of the closing date of the advertisement, please accept that your application has been unsuccessful. The department reserves the right not to fill the advertised position. The successful candidates will be appointed on Standard Contract in terms of section 76 of the National Water Act, Act 36 of 1998.
