

## water & sanitation

Department:  
Water and Sanitation  
REPUBLIC OF SOUTH AFRICA

DEPARTMENT OF WATER AND SANITATION  
CLOSING DATE: 07 April 2026

NOTE: Interested applicants must submit their applications via the online link <https://erecruitment.dws.gov.za> Other related documentation such as copies of qualifications, identity document, driver's license etc need not to accompany the application when applying for a post as such documentation must only be produced by shortlisted candidates during the interview date in line with DPSA circular 19 of 2022. With reference to applicants bearing professional or occupational registration, fields provided in Part B on the online Z83 must be completed as these fields are regarded as compulsory. Failure to complete or disclose all required information will automatically disqualify the applicant. No late applications will be accepted. Shortlisted candidates will be subjected to suitability checks (SAQA verification, reference checks criminal and credit checks). SAQA evaluation certificate must accompany foreign qualifications (only when shortlisted). Applications that do not comply with the above-mentioned requirements will not be considered. All shortlisted candidates pertaining to Senior Management Services (SMS) posts will be subjected to a technical and competency assessment and a pre-entry certificate obtained from the National School of government is required prior to the appointment. All shortlisted candidates, including the SMS, shall undertake two pre-entry assessments. One will be a practical exercise to determine a candidate's suitability based on the post's technical and generic requirements and the other must be an integrity (ethical conduct) assessment. Candidates will be required to complete a financial disclosure form and undergo security clearance. Foreigners or dual citizenship holders must provide a police clearance certificate from country of origin (only when shortlisted). The Department of Water Sanitation is an equal opportunity employer. In the filling of vacant posts, the objectives of section 195 (1) (i) of the Constitution of South Africa, 1996 (Act No: 108 of 1996) the Employment Equity imperatives as defined by the Employment Equity Act, 1998 (Act No: 55 of 1998) and relevant Human Resources policies of the Department will be taken into consideration. Correspondence will be limited to short-listed candidates only. If you do not hear from us within three (3) months of this advertisement, please accept that your application has been unsuccessful. Faxed applications will not be considered. The department reserves the right not to fill these positions. Women and persons with disabilities are encouraged to apply and preference will be given to the EE Targets.

POST: ENGINEER PRODUCTION GRADE A - C REF NO: 070426/01 (X2 POSTS)

BRANCH: INFRASTRUCTURE MANAGEMENT: HEAD OFFICE DIR: MECHANICAL AND ELECTRICAL ENGINEERING (MEE)

SALARY: R879 342 - R1 323 267 per annum (All-inclusive OSD salary package) (Offer will be based on years of experience)

CENTRE: Pretoria Head Office

REQUIREMENTS: An Engineering Degree (BEng/BSc (Eng) in Mechanical and Electrical Engineering. Three (3) years post qualification relevant engineering experience is required. Compulsory registration with Engineering Council of South Africa (ECSA) as a Professional Engineer (Pr Eng). The disclosure of a valid unexpired driver's licence (except for persons with disabilities). Sound knowledge of integrated water resource management and water resource protection. Understanding of programme and project management principles. Knowledge of engineering design and analysis, including pumps and pump stations, dam outlet works, mechanical structural designs, and water resources infrastructure operations. Knowledge of research and development methodologies and computer-aided engineering applications. Understanding of legal compliance, technical report writing, and application of professional judgement. Competencies required include decision-making, analytical thinking, team leadership, financial and people management, conflict management, customer focus, planning and organising, change management, innovation, and problem-solving.
