Section 3:

In your Application for Demarcation you are required to do the following:

- Provide a map of the property boundaries and to indicate on the map the location of ALL the invasive alien plants.
- Divide the plants into blocks according to their geographical location (e.g. those around house, those near a dam or river, those forming windbreaks etc.).
- Allocate each block a number and indicate it clearly on the map.
- Clearly indicate the blocks of invasive alien plants and whether they are to be left standing (e.g. windbreaks, woodlots & shade trees).
- If Category 2 invasive alien plants in a particular block are to be left standing you are required to complete this section.
- In completing this section please ensure that you provide the additional information that is set out below:

Example:
